

The Village Voice

Volume 25, Number 1

Indian Springs Village, Alabama

January 10, 2015

HAPPY NEW YEAR!

MESSAGE FROM THE MAYOR

I hope all of you had a wonderful Christmas. The flame of Peace and Good Will burns bright during the Holiday Season. I wanted to share with you a letter we received from the Counselor at Oak Mountain Elementary School thanking the citizens of our town for our Spirit of Giving that touched many families in our area. This letter touched me as I am sure it will you, and maybe we can keep the flame bright as we move forward in the New Year:

Dear Indian Springs Village residents, Thank you so very much for all that you and your neighbors have done to ensure that all of our students at Oak Mountain Elementary will have a wonderful Christmas. Your kindness and generosity over the years has been overwhelming. Over the past ten years that I have been the Counselor at OMES, your generosity has made it possible for us to help dozens of families and hundreds of children. This year we were able to provide clothing, shoes, personal items and toys for 8 families and a total of 23 children. As you can see, your generosity has touched and blessed so many members of our community.

In addition to providing gifts and much needed clothing, you have provided hope for families who are in desperate situations. I only wish that you could be here to see and hear how grateful the parents are when I deliver the items that have

been purchased for their families. Your generosity has helped single moms feel like they are not alone. Your kindness has helped grandparents who are raising their grandchildren on an extremely modest income provide clothing that will help their grandchildren feel excited to go back to school rather than be embarrassed. You are responsible for bringing laughter, smiles and joy to children on Christmas morning who otherwise would have faced disappointment. During a time of economic uncertainty, you have given families who are struggling hope for a brighter tomorrow.

On behalf of Oak Mountain Elementary, and the families that you have so generously supported, I want to express my deepest gratitude. We are all so grateful for your kindness and generosity. I hope that you and yours will have a very blessed Christmas and a Happy and healthy New Year!"

Sincerely,
Hayden Belisle
Counselor
Oak Mountain Elementary School

INDIAN SPRINGS VILLAGE VOICE HITS MAILBOXES!

Kathryn Harrington, Town Councilperson

It became apparent to all who went to their mail box this month and found the Village Voice delivered by the US mail that the Village Voice is back in print!

For almost twenty five years the Village Voice was hand delivered by devoted couriers. But as our couriers aged and or moved away from the Village, there seemed to be fewer and fewer residents able to devote the time to hand deliver the Village Voice. After much thought, the courier system was discontinued and the Village Voice became an online only publication. As with everything, this decision had its pros and cons. On the pro side is the fact that the online Village Voice is in color and contains many more photographs than the printed version. It saves paper and printing costs and saves cars driving around town using gas for delivery. It is easy to access from any place with a smart phone, computer or iPad. It is available on the Indian Springs Village web site; a note advising when it is available on the site is sent every month via e mail to all residents who registered an e mail address with the town; and paper copies are available at selected sites in the town limits. But on the con side, it seems that our residents are not hearing of important town meetings, events and happenings, as they have on prior occasions when the Village Voice was in print.

The Village Voice is the official means by which the town leadership communicates with the residents of the Village. So the fact that it may not be as widely read by residents as it should be is of serious concern to the Mayor and Town Council. After debating the question, it was voted that The Village Voice should be put back in print and that it should be delivered by U. S mail.

Hopefully, when you find The Village Voice in your mail box each month, since it will be readily accessible, you will enjoy the reading. The Village Voice contains news of: neighborhood events; social activities; high school sporting schedules; school activities taking place at the many wonderful schools located in our town; programs at the North Shelby Library; calendar of events at the Senior Center; the proceedings of the Town Council meetings; building permits and zoning matters under consideration; reports by our North Shelby Fire Department and our Sheriff; and news of general importance to those of us in Indian Springs Village. All of these subjects touch the everyday lives of each resident at one time or another, so knowledge of these things can be important. Only by reading the Village Voice can you learn of many of these things.

It is the hope of the Town Council that this effort will facilitate better communication for all in the Village. Moreover, we hope that this will encourage the residents of the Village to submit articles for consideration concerning important activities taking place in the town/ neighborhoods and/ or highlighting special accomplishments of one or more of our residents. If you have such an article or item that you would like to be considered for publication in the Village Voice, you may submit it to our editor Michael Harrington at mbh0001@yahoo.com. Please list as the subject line: article/item for the Village Voice.

TOWN COUNCIL MEETINGS

November 3, 2014:

The Indian Springs Village Town Council met Monday, November 3, 2014. The Mayor Bell-Guercio called the meeting to order and led the Pledge of Allegiance. The Town Clerk called the roll and all council members were present except Councilperson Kathryn Harrington.

The minutes of October 21, 2014 were reviewed and accepted as written.

Mayor Bell-Guercio introduced Frazier Christy, our City Engineer and Chad Scroggins from Shelby County

Environmental Services. Christy gave a brief explanation of ADEM's permitting requirements for all government entities with regard to Municipal Separate Storm Sewer System (MS4). Scroggins discussed the difference between Phase I and Phase II permits. He explained that due to the size of ISV, Phase II, would be more suitable than Phase I. With Phase II, ISV would still have Shelby County providing support when necessary. Additionally, he discussed the requirements and reports that must be submitted to ADEM. One requirement is that ISV must write a letter to ADEM requesting Phase II permitting. Councilman Robins made a motion that a letter be written to ADEM requesting that ISV be in the Phase II permitting category. Councilman Stauss seconded the motion. The vote was unanimous.

Robins reported that he had researched the agreement between ISV and the State of Alabama concerning the Cobra Head Lighting at Caldwell Mill Road and Cahaba Valley Road. The agreement did not address who would pay the power bill for these lights. Robins is going to contact the State regarding this issue and ask them to take over the power bill. He will report back to the council with the results.

Councilman Mendel presented the financial statements for September 30, 2014, the last month in our fiscal year. He reported that all income levels exceeded budget and expenses were below budget. Overall, ISV had another good year. Mendel made a motion that the financials be endorsed as presented. Councilman Trammell seconded and the vote was unanimous.

Mayor Bell-Guercio reported that the Founders' Day celebration was a huge success and the food was excellent. However, Judge Harrington's speech on the history of the town and the need for volunteerism resulted in only two Easter Egg Hunt volunteers. We need a chairperson and more volunteers. The deadline for volunteering will be extended through December. Without volunteers the 2015 Easter Egg Hunt will be cancelled.

Mayor Bell-Guercio adjourned the meeting at 8:30 p.m.

November 18, 2014:

The Indian Springs Village Town Council met Tuesday, November 18,

2014. Mayor Bell-Guercio called the meeting to order and led the Pledge of Allegiance. The Town Clerk called the roll and all council members were present.

The minutes of November 3, 2014 were reviewed and accepted as written.

Bell-Guercio introduced Katie Guerin from North Shelby Library. Ms. Guerin presented the Council with art made by the children of the summer reading program in appreciation for ISV's contribution and support. She outlined future events at the library. ISV will send out an E-Blast informing residents of Breakfast with Santa in December.

Councilman Robins reported that Outdoor Lighting Perspectives replaced the timer on the lights. Also, due to the cold weather, Robins cut the outside water off and bled the lines. He also reported the town sign on Valleydale had been hit by a car and was not repairable. He is getting prices on replacing the sign and also on painting some of the entry signs that are faded. He does not recommend any repair and maintenance be done on street signs due to the Federal requirements and mandates on signs that will go into effect in 2018.

Councilman Mendel presented the financial statements for October 31, 2014, the first month in the fiscal year. Financials were reviewed and noted that a deposit from Shelby County Commission had been miscoded. Mendel made a motion that the financials be endorsed as presented with the exception of the coding error. Councilperson Harrington seconded the motion and the vote was unanimous.

Harrington presented and reviewed three bids received to print, fold, tab, post and mail The Village Voice. Harrington added that the goal of The Village Voice is to communicate with residents. Since going on-line, it does not appear that the residents are being reached. Therefore, it is the desire to try mailing for six months and then measure whether there is a positive result. Harrington made a motion that Pete's Print be awarded the bid to publish The Village Voice. Stauss seconded the motion and the vote was unanimous.

Mayor Bell-Guercio outlined the details of the Pelham Council work session that she and Harrington attended. County Manager

Alex Dudcock and Greg Lein spoke and it is their intent to announce that The City of Pelham is partnering with the Alabama Department of Conservation and Natural Resources and Shelby County to update the Oak Mountain State Park Master Plan. A representative of the county indicated that ISV's representation at the meeting was not needed since they are not believed to be stakeholders. As the recipients of increased traffic, increased water runoff and overall changing the landscape and character of the park, ISV is a stakeholder due to the possible negative impact it could have in the valley. The county has a web-based survey available for public input. The address for this page is <http://PlanOMSP.DiscoverShelby.com>. The Mayor advocates participation in this survey and careful thought to pros and cons.

Additionally, Bell-Guercio informed the Council that the county has contracted with a firm to prepare an inundation study of the Oak Mountain dams.

The Council re-addressed the issue of charging a small fee for reserving the Town Hall. In order to maintain the integrity of a house that is over 100 years old. It is the consensus of the Council that cleaning on a more frequent basis is required. Therefore, in order to defray increased expenses, Councilman Stauss made a motion that a \$50 rental fee be assessed effective January 2015, excluding the ISV Garden club and Boy Scout meetings. All existing rules will remain in effect. Harrington seconded the motion. The vote was five yeas and one nay. The motion carried.

It was also discussed that welcome letters to new residents be instituted in an attempt to promote increased interest in ISV.

Gib Walsh from troop 828 introduced himself and informed the council that he was in attendance to earn his citizenship and community badge.

Mayor Bell-Guercio adjourned the meeting at 8:40 p.m.

December 2, 2014:

The Indian Springs Village Town Council met Tuesday, December 2, 2014. Mayor Bell-Guercio called the meeting to order at 7:15 and all council members were present.

The minutes of November 18, 2014 were reviewed and accepted as written.

Chief Tyler gave a brief update on new vehicles. He reported everything is good in the fire district.

Councilman Robins reported that the person who has maintained our town signs has retired. He is looking for someone to replace him. He also reported that the insurance company of the driver that hit the town sign on Valleydale will pay for the replacement.

A discussion was held concerning how to put the word out that there is now a \$50 fee to reserve the Town Hall. Councilman Stauss will put an e-mail blast out and the web-site will also post the new policy.

Councilperson Harrington reported The Village Voice will be published December 10th therefore any and all articles should be in immediately.

Bell-Guercio asked that an e-blast be sent to residents reminding them of the December 8th open house meeting in Pelham concerning the Oak Mountain State Park Master Plan. She also asked that the e-blast remind residents to go on-line to the web-based survey available for public input. The address for this page is <http://PlanOMSP.DiscoverShelby.com>.

Comments from a resident concerning the Town Hall fee was discussed before Mayor Bell-Guercio adjourned the meeting at 8:30 p.m.

CHANGE IN TOWN HALL & PAVILION RESERVATION

Joan Downs, Town Clerk

First, it is with regret that Patricia Crapet has offered her resignation as curator of the Indian Springs Town Hall. Patricia has done so much for this town, and the Town Hall will carry her imprint through the years. The town is grateful for all the time, work, and love she has devoted to ISV.

However, even with large shoes to fill, we are very pleased to announce that Amy Easton has volunteered to accept the curator position. Amy cares deeply about maintaining and preserving the integrity of our historical town jewel.

As you may or may not know, effective January 1, 2015 a \$50 fee will be charged to residents for the rental of the Town Hall and Pavilion. This is a very modest fee compared to similar venues in the area. It is the belief of the Council, due to the amount of use, the Town Hall needs additional maintenance in order for it to be preserved and maintained for further future use. For example, the Town Hall needs to be cleaned on a once a week basis rather than bi-weekly. This has been scheduled and will go a long way in preventing critters from invading our space along with keeping the carpet and floors in better condition. The carpet, even though it is less than three years old, needs to be replaced shortly due to high traffic. We are also hoping to add more conveniences that will enhance the enjoyment of the facilities by the residents, i.e. an outside restroom.

It has been debated that the Town has enough money to cover these additional expenditures. At the moment that is a true statement; however, it is true because the past and current Town Councils have worked diligently and frugally to increase and maintain a healthy financial position for the town. The council feels that the coffers should be protected particularly if the town suffered a natural disaster or had need of additional infrastructure. Just one tornado or one flood occurrence could cause an enormous financial hardship for the town and its citizens.

Amy and I have already begun streamlining the paperwork involved in making reservations. We have designed a one page reservation request that is to be e-mailed, faxed, or mailed. The request can be downloaded from the web-site at indianspringsvillage.org. Go to the main menu tab labeled Residents, and then click on Facilities. A copy of rules can be found there along with the one page reservation request. Follow the procedures as outlined on the web-site.

Amy, the Council and I look forward to working with residents in arranging events along with maintaining and improving conveniences that will make your event a success.

ISV HONORS SHERIFF CHRIS CURRY

Herb Robins, Town Councilman

Sheriff Chris Curry and wife Pam were guests of honor at the ISV Town Council meeting/Christmas Party on December 16th. Mayor Brenda Bell-Guercio read a proclamation which gave an overview of Sheriff Curry's 35 years of "extraordinary dedication and remarkable service to our residents" through his work with the Shelby County Sheriff's Office. She then presented the Sheriff with the framed proclamation on behalf of the Town Council and residents of ISV proclaiming Sheriff Curry an "Honorary Citizen of Indian Springs Village". To make it official, Sheriff Curry and Pam were presented ISV Tee shirts which were donated by the ISV Garden Club. Sheriff Curry thanked the Mayor, Council and residents for their friendship and support over the years.

On a personal note, it has been a great privilege and honor for Margie and me to have known Chris on not only a professional level, but a personal level as well. The same character, integrity and dedication with which he served the citizens, he has also shown to his family. No one serves 35 years in law enforcement, 12 as sheriff, without their family serving as well. So, special thanks to Pam, Brian (Suzanne) and Steven (Jennifer) for sharing Chris with us and giving him the support that allowed him to develop a sheriff's office that is second to none. God Bless!

Sheriff Curry & Mayor Bell-Guercio

CONGRATULATIONS TO JOAN DOWNS

Kathryn Harrington, Town Councilperson

The Alabama League of Municipalities has Certified our Town Clerk, Joan Downs, as a Certified Municipal Official. The graduation and pinning ceremony was held in Montgomery at the Headquarters of the Alabama League of Municipalities. Executive Director, Ken Smith, conducted the pinning ceremony and the commencement address was delivered by Perry Roquemore, former executive director (1986-2011).

The Certified Municipal Official program is designed to enhance the knowledge of municipal clerks in the myriad of areas that municipal clerks must be proficient in order to serve their municipality. In order to earn the CMO designation, a municipal Clerk must attend extensive educational programs.

We are proud of Joan's new designation and thank her for her continuing excellence in her service to Indian Springs Village.

ISV EXTENDS SYMPATHY TO THE FAMILY OF TULA AQUILINO

Tula Aquilino, age 94 of Indian Springs Village passed away Saturday, December 13, 2014. She was an outgoing, fun loving mother and grandmother who loved to travel. Tula was retired from Parisian. She was a devoted member of Our Lady of the Valley Catholic Church, very active with the ladies of the Red Hat Society, and Alabama Crimson Tide's biggest fan. She is predeceased by her loving husband of 60 years, Sam Aquilino; son, Augie Aquilino, and grandson, Eric Aquilino. Tula is survived by her daughters; Frances Muir (Gilbert) and Ritzi Teasley (Jimmy); daughter-in-law, Pat Aquilino; sister, Natalie Oas of Stockton CA; sister-in-law, Clara Aquilino of Cincinnati, Ohio, and grandchildren Deborah Teasley and Augie Aquilino, Jr.

UNWANTED DRUG DISPOSAL BOX

North Shelby Fire District in cooperation with the Shelby County Sheriff's Department has installed an "Unwanted Drug Disposal Box" at Fire Station 1. The box allows the public to dispose of unwanted drugs in a safe manner that is not harmful to the environment. The box is highly locked and secured to prevent access to all of its contents.

OUR LADY OF THE VALLEY SCHOOL SCIENCE FAIR & EXHIBITION 2014

Congratulations to all the students who participated OLV Science Fair but especially to First place winners Cassie Ambrose (8th grade) for Go with the Flow and to Katelyn Frey; Avery Martin; Lilly Yeatman (7th grade) for Wash Out.

The Science Fair was held on December 2-4, 2014, and OLV students earned the right to advance to regional competition at the University of Alabama Birmingham based upon their place at OLV's own Science Fair. Through participation in science fair students gain knowledge of the scientific method, develop experimental and research skills, and demonstrate creativity in science. Students learn the importance of planning and scheduling as they develop organization and presentation skills.

OAK MOUNTAIN HIGH SCHOOL

Dec 12, 2-14 By staff writer of OMHS Eagle Eye

Two Oak Mountain students, Jake E. and Tristan M., were chosen to attend the Rotary Youth Leadership Awards also known as RYLA. It started in 1972 with only 100 participants but has since grown to the size of 350 participants or more chosen annually. It is a leadership-training program sponsored by Rotary. This conference is known for its value in fundamentals of leadership, qualities of a "servant leader", conflict management and problem solving, and building self-esteem and self-confidence. The conference will be held at the U.S. Space and Rocket Center in Huntsville, Alabama. The participants will be a part of a mini space camp. Considering that this conference will be held somewhere with ties to NASA and its space program, the students will be learning about the station and concepts within it. Jake E. and Tristan M. both share an interest for aerospace engineering.

INDIAN SPRINGS HIGH SCHOOL SENIOR EARNS PERFECT SCORE ON ACT

Indian Springs School is delighted to announce that ISS senior Tristan Trechsel '15 has earned a perfect score on the ACT college entrance exam.

The odds of achieving a perfect score are extremely low. Of the 1.8 million students who took the standardized test nationally as members of the graduating class of 2014, about 1,400—less than 0.08 percent—managed to score a perfect 36, according to data provided by ACT, Inc.

"Earning a perfect score on this nationwide test is no easy feat," says ISS Director Gareth Vaughan. "We are extremely proud of Tristan and this exciting accomplishment and believe that it speaks volumes about his aptitude, talent, and work ethic. It also represents well our students' commitment to excellence in the classroom and beyond." The ACT includes tests in English, math, reading, and science as a way to measure what students have learned in high school.

Trechsel earned his perfect score on the Oct. 25 test—his first time to take the ACT. He didn't use practice exams or guides to prepare but instead believes that staying relaxed during the test helped him do his best. "I've never had any kind of test anxiety, so before the test I remember looking up at the painted ceiling tiles in my test room, feeling nostalgic about Freshman English." A stop by Starbucks on the way to the test might not have hurt, either, he says. "I got up early enough to get a double shot and a breakfast sandwich!"

Trechsel, who is also a 2015 National Merit Semifinalist and an AP Scholar with Distinction, comes from a long line of ISS graduates, including Dr. Frank Trechsel '69, Hayden Trechsel '72, Mary Trechsel Smyer '82, Julia Trechsel Davis '03, and Lake Trechsel '04. A singer/songwriter and member of the Indian Springs School Choir, he plans to study physics in college and is currently applying to some of the most selective schools across the country.

NORTH SHELBY LIBRARY EVENTS JANUARY 2015

*Library closed January 19

Indian Springs School is a national leader in coed boarding and day education for grades 8-12. Located just south of Birmingham, the school seeks to develop in students a love of learning, a sense of integrity and moral courage, and an ethic of participatory citizenship.

For more information, please visit www.indiansprings.org.

ROCKING AROUND THE CHRISTMAS TREE

Immediately following the December 16th Town Council meeting everyone began “rocking around the Christmas tree” while enjoying food, fun and socialization. The buffet included shrimp, chicken, lasagna, cheese and vegetable trays, along with turkey and salami roll-ups with Christmas punch and egg nog to top it off. The dessert buffet included, strawberry cake, chocolate truffle, a rum cake that is now quite infamous, just ask Randy Jaudon the creator of this culinary delight. Also, the little chocolate balls were delicious by all accounts.

ISV was honored to have in attendance Sheriff Chris Curry and his wife Pam, State Representative elect Arnold Mooney, and Sheriff elect John Samaniego. It was also a pleasure to have in attendance and to meet and welcome the General Manager of the new Wal-Mart Neighbor

Market, Jeremy Crook and his wife Ginger.

It was a delight to have Randy and Rita Jaudon and their daughter Sara, Anthony and Geraldine Cinquemani new residents to ISV join our celebration. Incidentally they came early and pitched in with the set up. We are excited to welcome them into our community.

The Town Hall Christmas tree was decorated this year in a naturalist theme with an assortment of birds and animals. The mantel carried the same theme with garland, ribbons and bows. The dining room was again set in a vintage red “Ruby Thumbprint” display of glassware from a private collection.

There was a very good attendance at this year’s event and we hope that everyone enjoyed themselves and will join us again next year.

ISV TOWN COUNCIL PASSES RESOLUTION CONCERNING OAK MOUNTAIN STATE PARK

Kathryn Harrington, Town Councilperson

In light of the potential development of a hotel and conference center in Oak Mountain State Park, The Mayor and town council discussed at the December 15, 2014 council meeting the critical importance of the protection and preservation of the ecological and environmental integrity of Oak Mountain State Park. Councilman Mendel made a motion that Resolution 12-16-14-01 be adopted. Stauss seconded the motion and the vote was unanimous. Bell-Guercio informed the council that a group of concerned citizens is forming a coalition called Keep Oak Mountain Wild. Their goal is similar to the resolution passed. She will keep the council apprised of their progress.

The resolution states:

Whereas, the Town of Indian Springs Village believes in protecting and preserving the ecological and environmental integrity of Oak Mountain State Park; and

Whereas, the conservation of the Park as

a natural resource is felt to be critical as every citizen’s responsibility to be a good steward of the land and a caretaker of our natural resources; and

Whereas, we believe development of a hotel and conference center and other amusements would diminish the wild and the green of the Park and could be placed elsewhere; and

Whereas, our State Park does not belong to a city, even if it lies within its borders, or to a county, but to all the people of the State of Alabama, as well as many others that come to experience nature in a peaceful, tranquil and natural setting;

Now, Therefore, be it resolved by the Town of Indian Springs Village that pursuit of the proposed development in the Oak Mountain State Park is not in the best interest of the Park and the many that enjoy its use, and would harm its viability for future generations.

Editor's Notes

The Village Voice is the official organ of Indian Springs Village, AL, established October 16, 1990. The mission of this newsletter is to foster a spirit of community and co-operation. It is the vehicle for reporting the monthly deliberations of the mayor and council in town council meetings; additionally it provides these officials and other Villagers a means of communicating – it is a “voice.”

The Village Voice is published the second week of each month. Articles for the February edition should be submitted by February 4, 2015. All materials submitted for publication may be edited, including **letters to the editor, which should include sender's address and phone number.** All opinions expressed in this newsletter are those of the authors of articles.

Address letters to the editor and news items to: Michael Harrington, Editor, 291 Valley View Lane, Indian Springs, AL, 35124; Tel: 205.447.0273 e-mail: mbh0001@yahoo.com

Editor's Appreciation to:

Mildred Wyatt for the masthead drawing
