EDITOR'S NOTES

The Village Voice is the official organ of Indian Springs Village, AL, established October 16, 1990. The mission of this newsletter is to foster a spirit of community and co-operation. It is the vehicle for reporting the monthly deliberations of the mayor and council in town council meetings; additionally it provides these officials and other Villagers a means of communicating – it is a “voice.”

The Village Voice is published the second week of each month. Articles for the March edition should be submitted by March 24, 2016. All materials submitted for publication may be edited, including letters to the editor, which must be signed and give writer's address and phone number: All opinions expressed in this newsletter are those of the authors of articles.

Address letters to the editor and news items to:
Leigh Whatley, Editor
5301 Mountain Park Drive
Indian Springs Village, AL 35124
Tel: 205.238.5924 or
email: leighwhatley@gmail.com.

Editor's Appreciation:

Mildred Wyatt for the masthead drawing. Although Mrs. Wyatt has passed away, this acknowledgement will continue in honor of the contributions of Mrs. Wyatt and her family to *The Village Voice* and the town of Indian Springs Village.

MESSAGE FROM THE MAYOR

I am excited to let you know that plans are going forward for the first season of our Indian Springs Farmers Market. A Board and Manager have been established and vendors are being sought. We are grateful to the Indian Springs First Baptist Church for graciously agreeing to be the site of our Community Market. The Market will be open each Saturday from 8 a.m. – 12 p.m. beginning the last Saturday of May, May 28, running through September 30. Of course, volunteers are not only welcome, but needed. Anyone interested should contact the Market Manager, Amber Ross at ambersutton04@gmail.com.

I want to pass along a warning received from the County Drug Free Coalition as well as some of our local law enforcement agencies concerning a substance call Kratom. This is sold at gas stations and convenience stores and is marketed as an herbal supplement to reduce pain, anxiety, and depression. It is packaged in small bottles similar to the 5-Hour Energy Shots. Some young people have purchased it thinking they were buying an energy drink. This substance is addictive and has been referred to as “synthetic heroin.” Please research this and talk to your children about the dangers of this substance.

I really do not have anything else to report. I would say to go vote, but by the time this comes out, Super Tuesday will be over! So I had a thought that might prove interesting for the future issues. I would like to invite you to email any questions you have in care of the Town Hall, and I will try to answer a few each time. Admittedly, I will probably answer the ones I know the answer to first! However, I will sincerely try to find answers to those other question as well.

Sincerely,

Brenda Bell-Guercio

TOWN COUNCIL MEETING

January 19, 2016

The Indian Springs Village Town Council met Tuesday, January 19, 2016. Mayor Bell-Guercio called the meeting to order at 7:00 P.M. Boy Scout, David Lether led the Pledge of Allegiance. The Town Clerk called the roll and all council members were present.

The minutes of January 5, 2016 were reviewed and accepted as written.

Councilman Mendel presented the Financial Report for December 31, 2015. Mendel moved to endorse the report and Councilman Trammell seconded. The vote was unanimous.

Frazier Christy, Town Engineer was in attendance and answered additional questions concerning the proposed Storm Water Management Plan which is required for the Town's pending Phase II MS4 permit (Municipal Separate Storm Sewer System). The Phase II permit is required by ADEM (Alabama Department of Environmental Management) for all storm water discharges from small municipalities in an effort to protect water quality by reducing the discharge of pollutants in storm water. Discussion and questions concerning the proposed Erosion Control and Sedimentation Ordinance was directed to Mr. Christy. Mr. Christy noted that all corrections had been made to the document and was ready to be posted and the public hearing will be February 16th.

Bell-Guercio informed the Council that John Strozier and Ralph Bodie agreed to be reappointed to the Zoning Board of Adjustment effective February 26, 2016 for a three year term. Alison Stiger also agreed to be reappointed to the Planning and Zoning Committee effective February 26, 2016 for a six year term. Robins made a motion to accept these appointments and Mendel seconded. The vote was unanimous.

Bell-Guercio presented a letter written to a resident for the purpose of cleaning up the property. The Council agreed the letter should be sent.

Purchasing and installing Christmas decorations to the telephone poles in ISV were discussed as a possibility for next year. Additional, investigation needs to be done and will be reviewed at another meeting.

Bell-Guercio adjourned the meeting at 8:15 P.M.

Respectfully submitted:
Joan Downs, Town Clerk

TOWN COUNCIL MEETING

February 2, 2016

The Indian Springs Village Town Council met Tuesday, February 2, 2016. Mayor Bell-Guercio called the meeting to order at 7:00 P.M. Following the Pledge of Allegiance the Town Clerk called the roll and all council members were present except Councilperson Kathryn Harrington.

The minutes of January 19, 2016 were reviewed and accepted as written.

Fire Chief Tyler requested that the Council consider the purchase of a Knox Box. The box contains keys to the facility and the fire department is able to enter the building in an emergency without breaking down doors. If there is an alarm but not an actual fire, it could prevent damage to the building. Tyler also explained that the fire department will be involved with the sheriff's office in "active shooter" training in the near future. This program will train the fire department to assist the sheriff in an emergency situation.

Deputy Sheriff Lee Stockman reported a quiet month except for wrecks and rounding up a wayward horse. Fortunately Councilman Mendel came to the rescue with needed horse paraphernalia.

PAZ Chairman Wayne Jones reported a PAZ meeting is scheduled March 5th and notices will go out.

Councilman Herb Robins reported he had been in touch with Mark Burns in regard to the new storage facility. He will have conceptual design revisions ready for the next council meeting. Frazier Christy, Town Engineer, will have elevation survey work performed next week.

Councilman Trammell explained the complications of annexation of property located on Valleydale Road; however the council felt it was worth continued research.

Town Clerk, Joan Downs, reported she has been in contact with Alabama Power with regard to hanging Christmas decorations on power poles. Alabama Power advised there would not be a problem. She has also been in touch with a company that will lease, install, and store decorations. A meeting will be set shortly and results presented to council.

Downs also reported that business license revenues have exceeded budget projections.

Bell-Guercio adjourned the meeting at 7:20 P.M.

Respectfully submitted:
Joan Downs, Town Clerk

TOWN COUNCIL MEETING

February 16, 2016

The Indian Springs Village Town Council met Tuesday, February 16, 2016. Mayor Bell-Guercio called the meeting to order at 7:00 P.M. Micah Allen, Boy Scout Troop 533, led the Pledge of Allegiance. The Town Clerk called the roll and all council members were present except Councilperson Kathryn Harrington and Councilman Jack Mendel.

The minutes of February 2, 2016 were reviewed and accepted as written.

The Town Clerk reported that the Zoning Board of Adjustment will hold a public meeting February 23, 2016, 6:30, at the Town Hall to hear a variance request for Lot 8, Indian Gate with regard to moving setbacks for proposed home construction.

PAZ Chairman Wayne Jones reported a PAZ public meeting is scheduled March 5th in regard to two subdivision requests.

Deputy Lee Stockman reported two thefts of property events for the month of December.

The Storm Water Management Plan was reviewed and minor changes made. Councilman Trammell made a motion to accept the SWMP as presented and revised. Councilman Robins seconded the vote and the vote was unanimous.

The Erosion Control and Sedimentation Ordinance was reviewed and discussed. Due to the number of changes in the Ordinance, Robins made a motion to continue the hearing until March 1, 2016 council meeting. The vote was unanimous.

Trammell presented Ordinance 2016-001 an Annexation Petition for 920 and 923 Copena Drive. Trammell made a motion to suspend the rules and vote on the ordinance. Robins seconded and the vote was as follows:

Bell-Guercio - yea
Robins - yea
Stauss - yea
Trammell - yea

Trammell made a motion that Ordinance 2016-001 be accepted as presented, Stauss seconded and the vote was unanimous.

Additionally, Trammell presented Ordinance 2016-002 an Annexation Petition for 2370 Cahaba Valley Road. Trammell made a motion to suspend the rules and vote on the ordinance. Robins seconded and the vote was as follows:

Bell-Guercio - yea
Robins - yea
Stauss - yea
Trammell - yea

Trammell made a motion to accept Ordinance 2016-002 as presented, Robins seconded and the vote was unanimous.

Bell-Guercio requested that the Town Hall Rules should include the following: "A resident or specific group cannot hold more than one active reservation at a time". The Council agreed.

Trammell also reminded the Council the Statement of Economic Interest is due April 1.

Bell-Guercio adjourned the meeting at 8:10 P.M.

Respectfully submitted:
Joan Downs, Town Clerk

SPECIAL TOWN COUNCIL MEETING

February 23, 2016

The Indian Springs Village Town Council met Tuesday, February 23, 2016. Mayor Bell-Guercio called the meeting to order at 7:30 P.M. All council members were present.

Three members of the newly established ISV Farmers Market Board were present and presented estimated needs and budget for the opening season. They answered questions and after further discussions, Mendel made a motion to suspend the rules, seconded by councilman Robins, the roll call vote was unanimous. Mendel then made a motion, seconded by Harrington to budget \$8000 for initial set up of an ISV Farmers Market for 2016. The vote was 5 to 1 with Trammell opposed.

The meeting was adjourned 8:20 P.M.

Respectfully submitted:
Joan Downs, Town Clerk

ZONING BOARD OF ADJUSTMENT MEETING

February 23, 2016

Board Present: Jane Martin, Ralph Bodie, Bruce Monical, John Strozier, Hub Harrington
Applicant: Zack Lalor

This meeting commenced at 6:46 P.M. The minutes from the last meeting of November 5, 2014 were approved. A motion to approve was made by Bruce Monical and seconded by Ralph Bodie.

The applicant explained to the Board his request to move the house to the right with a 15' setback to eliminate the need for the retaining wall. The ordinance for Indian Springs mandates a 20' setback. The requested setback originates at the foundation of the house not the edge of the soffits.

The town engineer reviewed the application prior to the meeting and discussed it with Jane Martin per telephone. He recommended that it be approved because it was a reasonable request and without any objections from adjoining neighbors. Hub Harrington also voiced that it was a reasonable request and cost effective for the applicant.

Herb Robbins (an attendee) suggested that the applicant contact the builder, Mr. John Powell about any covenants that might conflict with the applicant's request. To date Mr. Powell has not handed over any HOA to the existing houses and will not until all the lots are built on. Indian Springs does not enforce covenants. It is the applicant and owners who need to be cognizant of their covenants. However as a courtesy, the applicant will be given a copy of the minutes and will also give Mr. Powell a copy.

Ralph Bodie made a motion to accept the variance as presented and Hub Harrington seconded that motion. All were in favor of the motion.

No other business was discussed.

The meeting was adjourned 7:10 P.M.

Respectfully submitted:
Jane Martin

VILLAGE NEWS

by BJ Scharath

Do you like to buy fresh? If so, there is exciting news for Indian Springs Villagers. The Village is going to have it's very own Farmer's Market this year! The Farmer's Market will be located in the parking lot of the Indian Springs First Baptist Church located on Hwy 119 starting the last Saturday in May and running until end of September. Each Saturday from 8-12, local vendors will be selling a variety of locally grown produce. Check out the Indian Springs Village Farmer's Market on Facebook for more information.

According to Farmer's Market Manager Amber Ross, the Village is hoping to start with 10 vendors. Amber is currently seeking interested vendors who would like to sell farm raised vegetables and fruits, jams and jellies, and other locally produced food items. If you know of anyone who might be interested, they should contact the Market Manager, Amber Ross at 205-563-4587.

CLUB VEERS FROM GARDENING TO SEWING AT RECENT MEETING

by Ruth Goodwyn, Publicity Chair, Indian Springs Garden Club

Instead of hearing a topic on gardening, the Indian Springs Garden Club members watched a demonstration on how to make sweatshirt sweaters at the Feb. 25 meeting at the Town Hall, beginning at 6:30 p.m.

After a devotional by Eleanor Bennett, President Liz Alosi turned the program over to new member Judy Goodwin, who demonstrated how to make sweatshirt sweaters, showing how to make each one creatively unique. She brought with her several of her own creations for sale.

Following Judy's demonstration, plans for the rest of the year were discussed, and the group recognized Mickey Farmer as the incoming president beginning in May.

Nola Stans brought blueberry crisp and ice cream and Robin Morris brought red velvet cupcakes--all delicious--for everyone to enjoy.

The March 24 meeting at the Town Hall, 6:30 p.m. will be about caring for hydrangeas by Martha Aldridge of Aldridge Gardens in Hoover. She will also be bringing hydrangeas to sell.

BUILDING PERMITS

submitted by Frazier Christy, Town Engineer

Applicant: Advanced Electrical
Owner: Robert Cerfolio
Address: 280 Cahaba Oaks Tr
Proposed Use: Replace Electrical Panel

Applicant: Blair Remodeling
Owner: Bruce and Cathleen Wheatly
Address: 212 Cahaba Oaks Tr
Proposed Use: Re-roof

Applicant: Pinkerton's Electric
Owner: Kerry Kline
Address: 790 Miller Circle
Proposed Use: Generator Installation

Applicant: Mastec Network Solutions
Owner: Crowne Castle
Address: 5478 Caldwell Mill Road
Proposed Use: Replace AT&T Antenna

SEVEN INDIAN SPRINGS SCHOOL SENIORS NAMED FINALISTS IN 2016 NATIONAL MERIT SCHOLARSHIP PROGRAM

Seven Indian Springs School seniors have been named Finalists in the 61st annual National Merit Scholarship Program.

McKenna Barney '16, Ashlynn Berry '16, Claire Chen '16, Daun Lee '16, Michael O'Malley '16, Rob Pulliam '16, and Cheska Romero '16 were selected based on their achievements on the 2014 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT), high SAT scores, strong academic performance in grades 9-12, extracurricular and volunteer achievements, and personal essay.

The distinction places them in a group of about 15,000 students nationwide (representing less than 1% of graduating seniors) competing for 7,400 National Merit, corporate-sponsored, and college-sponsored awards to be presented later this spring based on their abilities, skills, and accomplishments.

"We are proud of these high-achieving students and delighted to see their hard work, dedication, and exceptional abilities celebrated through this prestigious recognition," says ISS Director Gareth Vaughan.

Indian Springs School is a national leader in coed boarding and day education in grades 8- 12. Founded in 1952 and located just south of Birmingham, the school seeks to develop in students a love of learning, a sense of integrity and moral courage, and an ethic of participatory citizenship. For more information, please visit IndianSprings.org.

TALES FROM THE HALL...

by BJ Scharath

I made a fatal mistake! I suggested to Joan Downs that our village newspaper have a series of articles about the people who lead our village in their various official capacities and lo and behold, I was asked to follow through on my own suggestion. Imagine that!

Although I have lived in Indian Springs and been proud to call it home for many years, I have mostly taken for granted the ability to live “the country life” within steps of bigger cities like Pelham and Birmingham, while being at the back door of Oak Mountain State Park. And I’m sure I’m not the only one. So, read on with me and share my journey to discover some of the movers and shakers of Indian Springs Village. I thought it appropriate to start with our Mayor, and each month will write about a different Village “official” as a way of learning not only how our Village functions, but who the people are behind the titles.

Brenda Bell-Guercio is our 4th mayor since the Village incorporated almost 25 years ago. She is preceded by our first mayor Hub Harrington, who served two terms of office, then Gene Weingarten, who served one term of office, and Steve Zerkis, who served two terms of office. Each term of office is a 4 year unpaid commitment.

When I left a message with Ms. Guercio to ask if I could interview her, I got an immediate phone call back. We met at her home within hours of my request. As I stepped through her door, I was greeted by several barking dogs, all of whom were sleek and well fed, including one sweet puppy recovering from multiple surgeries after an almost fatal dog attack. I learned they were all rescue dogs with stories that broke my heart and I immediately knew I liked this person. Brenda told me she was a “little country girl from Mississippi” who moved to Birmingham in the early 70’s to attend medical school. The very skills and intelligence that got her through medical school, a residency, and an active practice in radiology, seem to be the very same skills with which she leads our Village (my opinion, not hers). I asked her why she chose to live in Indian Springs Village she stated that when she first arrived in Birmingham she dreamed of a house with enough land in a peaceful setting for dogs and horses and a place where her children could grow up surrounded by nature. When she moved to Indian Springs, she achieved that dream.

Since the position of mayor is an unpaid position, I was curious why she was interested in being mayor. She stated after retiring from her medical practice, she wanted to give back to the village. She spent 8 years serving as a councilwoman before becoming mayor and considers her life to be blessed to have time to spend with her grandchildren and give back to the village at the same time. When I asked her what was one of the best things that has happened while she has been mayor, she stated that working with the Shelby County Mayor’s Roundtable was something she was particularly pleased about. The Roundtable, about 4 years old, serves as a forum for Shelby county mayors to all meet together on a quarterly basis. She was especially pleased that the focus of the group was on creating a positive collaborative working relationship between mayors and not individual cities and towns to the exclusion of others. Lastly, I asked her what she saw as the most pressing future needs facing the village. She directed me to read the Comprehensive Plan posted on the village website (I have), and went on to say that one of her greatest concerns was how to get more and younger people involved and participating in Council activities and various Boards of the village to protect and preserve the unique governmental structure of the village. We really do have a unique form of city government that harkens back to the days of old, when people volunteered their time to serve and protect a gathering of people and do it for no salary. She inspired me to attend a couple of council meetings in the upcoming months! Anyone else want to join me?

I could have stayed for hours, petting dogs and talking to this dynamic woman with such love for our valley and passion for wildlife and spirit of “giving back”. But we both had places to be and things to do. But what a pleasant afternoon it was.

OMIS CELEBRATES PLAYGROUND UPGRADES AND A STRONG PARENT-TEACHER PARTNERSHIP

Enjoying recess on a well-equipped playground can offer students a wonderful balance to the rigors of their academic instruction. Through fundraising initiatives headed up by Oak Mountain Intermediate School's PTO, students are now enjoying new equipment as well as upgrades to some of their long-standing favorites! "I am very excited to be a part of this project and hope that the new equipment will be enjoyed by many students for years to come!", shared Mrs. Tracie Tommie, parent and Secretary of the PTO. In support of the identified need to refurbish existing playground equipment and to continue to add universally accessible pieces, the PTO fundraised over \$17,000 over the past few years.

"Our playground upgrade was recently completed, courtesy of our PTO, who never fail to be supportive of all of the programs here at OMIS," said PE Coach Mike Goodwin. "Included in the upgrade were some repairs to various pieces that were vital to our playground continuing to meet safety requirements. In addition, we had some new pieces installed. One, an Omni Spinner, seems to already be a popular hangout area for the kids.

In short, it is basically a miniature "merry go round" type piece, with full accessibility for all students. Another piece is the Tightrope Bridge, allowing kids to work on balance and upper body strength. Yet another new addition is a Loop Horizontal Ladder, again giving kids a fun way to build up upper body strength. As always, we are grateful to our PTO for their vision and desire to provide our kids with every possible opportunity to grow physically, emotionally and academically."

While engaging students in academic instruction that promotes depth of thinking, processing, and application is a priority, there is also value to be found in providing opportunities for movement and for practicing effective social skills in different settings. "I see that recess promotes not only physical health and social growth, but also cognitive performance," said Mrs. Wood, OMIS Teacher of the Year. "Our playground offers students the opportunity to play, practice effective social skills, and imagine on their own, outside the walls of the classroom." Wood says the positive effects of these experiences can be seen in the focused energy students put forth in their academics and in their positive behavior choices.

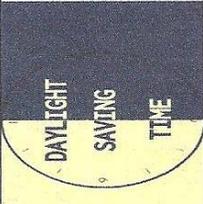

OMIS Principal, Dr. Pat LeQuier, reflected on the importance and value of a great working partnership between parents and educators. "Ours is truly a Parent-Teacher organization," she said. "Together, we identify our school's needs, set goals, and get to work. Our

teachers and staff members are so enthusiastic! They actively participate in fundraising activities organized by our PTO members who put in countless volunteer hours to ensure each event is a success. Together, we have taken on a number of projects that have tremendously enhanced our learning environments. For example, portable Chrome Book carts now enable whole classes to conduct research and engage in innovative classroom instruction and product development. We also continue to dedicate funds in support of the upgrades to our library/media center's learning environment and e-book collection, which supports an unlimited number of students in accessing and reading the same book at the same time."

LeQuier expressed how very fortunate she is to work with parents in identifying areas of need and fundraising to implement upgrades, such as the playground equipment, which benefits OMIS students and the community as well. "Our school has a great partnership with our local leagues for youth baseball, football, and cheer. Many years ago, the leagues constructed baseball fields on our school property. By day, the fields are available for use by our PE department, teachers and students. In the evenings and on weekends, the fields and stands are filled with children and families from our community and the playground is a favorite of those who have siblings involved in structured play." "Ask your child about their favorite new piece," said Mrs. Tommie. "I am sure they would love to tell you about all of the fun happening on the playground!"
