## Message from the Mayor *by Steve Zerkis*

It's December and we have had our first threat of snow and sleet. It's been a wonderful fall season. A real Indian summer with mild temperatures and beautiful colors. Now the leaves are down and the blowers are working overtime. It's rake and mulch time. The ISV Garden Club has cleaned up the flower beds around the Town Hall. It's on to all the good December holidays with opportunities to be with family and friends.

Our own ISV holiday party will be right after our Council meeting on Tuesday, December 20 in the Town Hall. Please visit and bring some treats to share with your neighbors, along with good cheer.

The road contractor for the state has finally fixed the pavement at the intersection of Highway 119 and Arrowhead Lane. No more potholes. That was work long overdue. They also did some work at Highway 119 and Valley View Road. I'm very glad for the improvements.

At the November 15 Council meeting, the Town Council approved two changes to the zoning ordinance. Over the next few months we will be looking to make changes to our flood control and subdivision ordinances to improve the management of storm water. This will apply primarily to new construction. When those changes are drafted, public hearings will be held by both the Planning and Zoning Commission and the Town Council to ask for comments.

A reminder that, if you are having construction done on your property, you very well may need a building permit. Please contact the City Engineer, Frazier Christy (939-1119), for further information. Your contractor will need a business license. He/she needs to contact our City Clerk, Kelly Rasco (981-1808), to apply for that license.

On behalf of the Town Council, and volunteer staff of this town, we wish you very happy holidays!

*Steve and Pat Zerkis*

Mendel postponed the financial report review until the next meeting.

# Town Council Meeting

November 1, 2011

The Indian Springs Village Town Council met at 7:00 p.m. at the Town Hall. Mayor Zerkis called the meeting to order and then called the roll. All council members were present except Stewart Dudley. The Mayor reviewed the agenda.

Mendel reviewed the issues discussed so far with the financial setup of the Children's Fund. He also stated that a charter document would be required, regardless of how we proceeded. A discussion followed. The Council agreed that the Children's Fund should preferably be a separate entity from the City and that an application for a federal EIN needs to be completed.

The Council reviewed the October 18 minutes. Bell-Guercio made a motion to accept the minutes, seconded by Robins. The motion was accepted unanimously.

Mendel presented the September financial report. He noted that it reflects the end of the fiscal year. He added that the budgets had been adjusted. A discussion followed. Mendel motioned to endorse the report, seconded by Stauss. The motion was accepted unanimously.

Mayor Zerkis reported for the PAZ. This is the first reading of the proposed ordinance to change the zoning

ordinance, specifically, to change the E-1 minimum acreage requirement to one acre. The ordinance will be considered at the next applicable meeting.

Robins reported that the street sign at Spring Garden Street (south) is damaged. He has contacted the sign contractor to install a new 6 x 6 post and repaint the sign and bracket. Mendel reported that the sign at Brook Green and Mountain Vista is also damaged as well as the Citizens Patrol sign at the same intersection. Robins added that there is a street sign damaged in Indian Highlands. The neighborhood association president plans to ask if the neighborhood will pay for a decorative ISV sign or have the standard metal street sign installed at no cost. A worn stop sign also needs to be replaced. Robins will contact Shelby County.

Robins discussed possible Eagle Scout projects with Justin Stoessel. Stoessel is considering the installation of security cameras at the Town Hall. A discussion followed. Mayor Zerkis would also like to consider upgrading the existing security system. More discussion followed.

Mayor Zerkis asked Robins what the cost was to replace the loop at the traffic light at 119 and Caldwell Mill. Robins responded that it was approximately \$1,400, but he had not yet received the bill.

Stauss reported that a resident of Cahaba Oaks subdivision had complained about coyotes. Stauss plans to contact Critter Control for a cost estimate. Stauss asked Robins if he had an update from Gary Ray of ALDOT on the missing Adopt-A-Mile and mile marker signs. Mayor Zerkis also noted that the County missed some sections when they recently paved Old Mill and Mountain Park Drive. Robins will follow up.

Mayor Zerkis discussed sign permit fees. He has reviewed some other area cities fee schedules. He has also sent a message to the City Engineer to get an estimate of time spent on reviewing sign permits.

Stauss reported that he received a phone message about a change to the sign at OLV.

Mayor Zerkis stated that he had received a letter from the director of Indian Springs School stating that the school is retiring the educational bond.

Zerkis has received letters from three of the four Oak Mountain schools for annual grant requests. A discussion followed concerning stipulating the use of grant money for school sign upgrades and repair of fire hydrants on school grounds.

Zerkis received a letter from the USPS Pelham branch complaining about copies of *The Village Voice* being placed in mailboxes. They proposed a delivery method that will not work for us. A discussion followed.

Mayor Zerkis gave an update on the fire hydrant project. Chief O'Connor received a written bid for \$5,700 per hydrant. Zerkis is contacting other contractors for bids.

Mayor Zerkis opened the floor for public comment. A resident asked if we could project on a screen the proposed ordinances at the next meeting.

The meeting was adjourned at 8:37 p.m.

Respectfully submitted,  
Kelly Rasco, City Clerk

# Military Teen Helps Military

**Teens** *submitted by Melanie Kieve, Assistant Director of Development, Indian Springs School*

Candace von Hoffman knows what it's like to be a military kid. The daughter of an Air Force Reserve colonel and Alabama Air National Guard lieutenant colonel, she has seen her parents leave for deployment for months at a time since she was an infant, and she understands the joys and challenges of military family life.

At age 16, von Hoffman is taking her experience and using it to help others living a similar path. The Indian Springs School sophomore has been selected to serve on the Air Force Reserve Command Teen Leadership Council, a national council formed to give Air Force Reserve senior leaders an insight into the concerns of Air Force Reserve youth and families, particularly those whose parents have been deployed multiple times.

Von Hoffman is one out of only 20 Air Force teens nationwide selected to participate on the Council. She began her one-year term this month.

As a member of the Council, von Hoffman will:

- participate in Yellow Ribbon Events, regional gatherings for military families that help them prepare for deployment, acclimate after deployment and realize the range of resources that are available to them
- identify and accomplish at least one project per year to strengthen Air Force Reserve Youth Programs (she is planning a "Dive-In" movie event in June at the Maxwell Air Force Base near Montgomery to draw attention to resources available to Air Force teens)
- serve as an ambassador for the Air Force's Family Readiness programs serving younger children
- speak on behalf of Air Force Reserve teens at special events
- be a resource for other Air Force Reserve teens and families within their own community
- be an advisor to senior Air Force Reserve leaders on the concerns of military youth

With multiple deployments and frequent family moves, the children of military families need each other, von Hoffman says. That's where the Council comes in, offering services to help Air Force children realize that "we can find a piece of home wherever we are because we have each other," she adds.

As the nation approaches Veterans Day, von Hoffman is especially pleased to be a part of a program that positively impacts military families. "I'm in love with the idea of giving back to people who give to us, who work so hard to protect our country and who I respect so much," she says. "I am honored to do what I can for them and their families."

Von Hoffman is the daughter of Col Cauley von Hoffman, commander of the 908th Maintenance Group, 908th Airlift Wing, at Maxwell Air Force Base (and herself a graduate

of Indian Springs School) and Lt Col Mitch von Hoffman, Director of Operations for the 100th Fighter Squadron at the Montgomery Air National Guard Base.
