### Editor's Notes

*The Village Voice* is the official organ of Indian Springs Village, AL, established October 16, 1990. The mission of this newsletter is to foster a spirit of community and co-operation. It is the vehicle for reporting the monthly deliberations of the mayor and council in town council meetings; additionally it provides these officials and other Villagers a means of communicating – it is a “voice.” Expenses are covered by the efforts and donations of ISV volunteers. Deliveries are made at no charge by volunteer couriers.

Address letters to the editor and news items to: Alison Stigers, Editor, 5110 Split Rail Trail, Birmingham, Alabama, 35244; Tel: 253-1605, Fax: 949-6279, or e-mail: [alison@indianspringsvillage.org](mailto:alison@indianspringsvillage.org).

*The Village Voice* is published the first week of each month. Articles for the July edition should be submitted by Friday, June 29, 2012. All materials submitted for publication may be edited, including **letters to the editor, which must be signed and give writer's address and phone number.** All opinions expressed in this newsletter are those of the authors of articles; any opinions expressed should not be attributed to the mayor or the council.

## Message from the Mayor *by Steve Zerkis*

I am writing this on Memorial Day. I spent the morning at the National Cemetery in Montevallo. They had a beautiful ceremony in remembrance of the military men and women who have died for our country in countless wars and military actions. There were appropriate flag ceremonies, music and speeches, the playing of echo taps and a rifle salute. It was a fitting and appropriate service.

July 4th is only a few weeks away and, as the article enclosed shows, it will be similar to previous years with our parade through town, a flag ceremony at the Town Hall, followed by the best barbeque in the state. I hope to see everyone there. And one more thing, military veterans eat free. Just tell them you are a vet when you get to the ticket table. Can't beat that!

I am very proud of *The Village Voice*. It has been produced every month since the town of Indian Springs was created and it's a voice and reflection of what goes on in and around our town. Publishing it and getting it to your hands is a big effort by a number of people. Many thanks to Alison Stigers for doing an outstanding job as publisher and editor. However, it is time to make a few changes. *The Village Voice* itself will not change, but we are looking to change how we get it to you. Currently, most residents have it delivered to their homes by hand by other villagers who act as couriers. Those couriers get packets of the newsletters from other couriers who, in turn, get them delivered by Alison Stigers who picks them up from a printer. This process takes the time and effort of a lot of people and there is a significant print cost involved. We are going to try to make this process a lot more efficient.

Most of us have internet access. We want to take advantage of the internet to get you *The Village Voice*. We will begin to email *The Village Voice* to you each month. You can then read it on-line or print it out. To get it to you, we will need your email addresses. Please send me an email with your name and home address to [Myvillagevoice@yahoo.com](mailto:Myvillagevoice@yahoo.com). That is an email account I have set up for this process. That's all you have to do.

For those residents who do not have access to the internet, we will still print paper copies and have them available for pickup at several locations around town including the Town Hall, the North Shelby Library and the Heardmont Senior Center to start. We will probably continue to mail a few paper copies. But home delivery will stop in the next two or three months. We don't want you to miss any issues, so please send us your email. *The Village Voice* will also be posted on the town's website and available to be downloaded. If you have any questions, please feel free to email me at [steve@indianspringsvillage.org](mailto:steve@indianspringsvillage.org). We will be glad to work with you if you have special delivery needs.

See you on the 4th.

# Town Council Meeting

April 3, 2012

The Indian Springs Village Town Council met at 7:00pm at the Town Hall. Council President Robins called the meeting to order and the City Clerk called the roll. All council members were present except Mayor Zerkis and Stewart Dudley. Robins reviewed the agenda.

The March 20 meeting minutes were reviewed. Bell-Guercio motioned to accept the minutes, seconded by Robins. The motion was accepted unanimously.

Robins distributed copies of the proposed fee schedule ordinance. Bell-Guercio made a motion to accept the fee schedule ordinance 2012-003, seconded by Mendel. The motion was accepted unanimously.

Stauss reported for the ZBA. He received a letter from Mayor Zerkis re-appointing the ZBA committee. Appointments are as follows:

- Brian Stauss, for a three-year term and as Chair starting February 1, 2012
- Bruce Monical, for a three-year term starting February 1, 2011
- Ralph Bodie, for a three-year term starting February 1, 2011
- Benton Baker, for a three-year term starting February 1, 2010
- Steve Zerkis, for a three-year term starting February 1, 2010.

In addition, the following are re-appointed as supernumerary members:

- John Strozier, for a three-year term starting February 1, 2012
  - Art Johnson, for a three year term starting February 1, 2012.
- Stauss added that he is working with a homeowner in the Homestead subdivision on a variance involving the set-back.

Robins reported for Jones for the PAZ. City Engineer Frazier Christy will be at the next PAZ meeting to give an update on the requirements for the Slaughter subdivision.

Bell-Guercio reported that everything is ready for the egg hunt. She needs volunteers at 9:00 a.m. for set-up and at 3:00 p.m. for distributing prizes.

Robins reported that he spoke with County Engineer Scott Holladay. Holladay confirmed that no subdivision roads will be paved this year. They will try to work McGuire Lane into the project. Robins also spoke with Mr. Gilliland regarding pruning the oak tree beside the Town Hall. It is too late to prune and he suggested waiting until the fall.

Adam Lether, 1st Class, of Troop 254 from Briarwood, attended the meeting to earn his Citizenship in the Community badge.

Robins opened the floor for public comment. A resident stated to Mendel that he had read in the minutes that the City was investing in credit unions. Mendel responded that no, credit unions are not in the Alabama SAFE program

and that is a requirement for municipal investments.

Robins adjourned the meeting at 7:35 p.m.

Respectfully submitted,  
Kelly Rasco, City Clerk

# Town Council Meeting

April 17, 2012

The Indian Springs Village Town Council met at 7:00 p.m. at the Town Hall. The Mayor called the meeting to order and the City Clerk called the roll. All council members were present except Brenda Bell-Guercio and Stewart Dudley. The Mayor reviewed the agenda.

NSFD Chief Buddy Tyler attended the meeting. Chief Tyler has been with the District for 26 years and recently earned the position of Fire Chief. Chief Tyler gave an update on programs and activities at the fire department. Station One is offering the Yellow Dot Program to make available information to assist first responders. This program was created to assist citizens during auto accidents when they may not be able to communicate for themselves. Individuals may complete the personal information form at Station One and pick up their yellow dot decal which is placed on the rear window to alert responders that information is on file. Additionally, firemen have participated in the child's car seat installation training. All NSFD stations now offer car seat installation. The Explorer program continues to do well. This program is for high school students and meets on Monday nights. It is a great opportunity for mentoring.

The April 3 minutes were reviewed. Robins made a motion to approve the minutes as amended, seconded by Mendel. The motion was accepted unanimously.

Wayne Jones reported for the PAZ. At a recent meeting, a subdivision request for property owned by Mike Stephens was reviewed. The subdivision involved a quarter acre transfer from one large lot to another, both owned by Stephens. City Engineer, Frazier Christy, presented the plat map and details and asked the Council for approval. Robins made a motion to accept the Stephens plat map as presented, seconded by Stauss. The motion was accepted unanimously.

Mendel reported that there was a glitch in the journal report generated from Quickbooks and it did not show the account detail. The issue has been resolved. After presenting the February and March financials, Mendel moved that the Council endorse the February, 2012 and March, 2012 reports as presented, seconded by Robins. The motion was accepted unanimously.

Robins reported that there is a broken street sign and post at Valley View Road and Highway 119. He has contacted Jimmy Rhodes to repair it. He has also ordered a "No Outlet" sign for Windwood Circle.

Stauss reported that he received an offer on the Kubota tractor. He has counter-offered and is waiting for a

response. Meeting attendees offered other suggestions for posting the tractor for sale.

Mayor Zerkis has been asked by the Credit Union Association to go to the State House tomorrow to speak to the Senate Insurance and Banking Committee and request their support for a bill that would add credit unions to the Alabama SAFE program. That would provide additional investment alternatives for municipalities and other governmental entities.

The Mayor opened the floor for public comment. No one attending responded and the Mayor adjourned the meeting at 7:40 p.m.

Respectfully submitted,  
Kelly Rasco, City Clerk

## Town Council Meeting

May 1, 2012

The Indian Springs Village Town Council met at 7:00 p.m. at the Town Hall. The Mayor called the meeting to order and the City Clerk called the roll. All council members were present except Brian Stauss and Stewart Dudley. The Mayor reviewed the agenda.

The April 17 minutes were reviewed. Robins made a motion to approve the minutes as amended, seconded by Mendel. The motion was accepted unanimously.

Robins reported that the damaged sign and post at Valley View Road and Highway 119 have been repaired. The sign post at Caldwell Mill Road and Highway 119 has also been replaced and the sign re-hung. A "No Outlet" sign has been installed at Windwood Circle. Mayor Zerkis reported that he received a call from a resident thanking the Council for the sign. Robins will order another "No Outlet" sign to replace the faded one at Spring Garden Street North.

Bell-Guercio and Robins gave an update on the 4th of July BBQ. Bell-Guercio will contact the DJ we used last year. Mayor Zerkis noted that Jim Wyatt has scheduled the Iwo Jima re-enactors. Robins and Bell-Guercio will check the supplies. Chief Tyler will schedule the fire truck. Stauss will prepare guest invitations. There was a discussion about contacting car clubs.

Katie Guerin, Director of the North Shelby Library, reported that they are preparing for the summer reading program. The 2011 reading program exceeded expectations – 1,863 participated and read almost 2,700 books. They are planning to expand the program this year. Guerin requested the Council consider a \$2,500 grant for books plus a \$500 grant for programs. She noted that the library no longer receives a state grant, but that they have increased alternative funding and grant writing. A discussion regarding the grant amount followed.

The library has been in the news lately. They have added a mobile app and revamped their website. Guerin added that NSL is the new meeting place for the Shelby County Literacy Program. Tutors will meet with clients. NSL has a great amount of literacy materials for adults.

Bell-Guercio made a motion to increase the Community Grants expense account by \$2,500, seconded by Robins. The motion was accepted unanimously.

Bell-Guercio made a motion to suspend the rules, seconded by Robins. The motion was accepted by unanimous roll call vote.

Bell-Guercio made a motion to make a grant of \$2,500 to the North Shelby Library for the summer reading program, seconded by Robins. The motion was accepted unanimously.

NSFD Chief Tyler announced that ADEM had kicked off the burn ban effective May 1, 2012. The burn ban extends through October 31. A reminder article is being published in *The Village Voice*. Tyler also noted that building contractors are not exempt from the burn ban. There was discussion concerning additional ADEM regulations that prohibit burning within 500 feet of another occupied dwelling at any time.

The City Clerk presented the Council with handmade thank you cards from Mrs. Slovensky's kindergarten class at Oak Mountain Elementary. Slovensky's class received new headphones from a portion of the grant the City provided.

The City Clerk also noted that MPS Awareness Day is May 15 and encouraged everyone to wear purple that day in honor of ISV resident, Will Luthcke.

The Mayor opened the floor for public comment.

A resident announced that the Valleydale Farmers Market will begin May 12 at Faith Presbyterian Church and gave samples of baked goods that will be available at the market to the Council and meeting attendees.

Chief Tyler gave an update on the previous question about the status of the fire hydrant repairs at Oak Mountain High and Intermediate Schools. He had the hydrants checked and they have not been repaired. One needs to be raised and the other is difficult to open. If there was an emergency, the condition of these hydrants would cause a delay. If the hydrants were not on private property, the City would have already had them repaired. According to Tyler, both school principals were notified over a year ago and again this past fall. Zerkis will contact the principals again.

The Mayor adjourned the meeting at 8:20 p.m.

Respectfully submitted,  
Kelly Rasco, City Clerk

Ella was adopted on April 11, 2012 from Seoul, Korea. She is now 19 months old and loves being an Indian Springs resident.

## Town Hall Tidbits *by Patricia Crapet, Town Hall Curator*

It is officially summertime now, and use of the ISV Town Hall is in full swing! There have been showers, graduation parties, church socials, anniversary parties, family reunions, birthday parties and lots of other gatherings within just the last few weeks. Because the use of the Town Hall and grounds are free for ISV residents, there is always something going on at the facility!

Because the use IS free, the Town Hall is in great demand. Every resident of ISV should be aware that there are rules that govern the use of this much beloved facility. The rules are, for the most part, simple common sense rules. Each rule is in place for a reason, but some are there because at some time or other, someone has acted with less than what we could call "good" common sense when using the Town Hall.

One such rule is the rule for eligibility of anyone who wishes to reserve the Town Hall. Please be aware that ALL reservations MUST be placed BY A CITIZEN OF ISV! The resident making the reservation MUST be in attendance during the entire event for which they have made the reservation! PLEASE do not make a reservation for cousin Sally from Center Point, or for your good friends Billy Bob and Linda who live in Bluff Park, unless you are willing to pick up the key, stay at the event the entire time, bring the key back afterwards AND be responsible for the care of the facility and any damage TO the premises. Sure, you think that your good friends and/or relatives will take great care of the Town Hall, but how do you know this unless you are there with them? The facts are that you cannot possibly know, and therein lies the problem.

Another rule is regarding the moving of not only furniture inside the house, but of moving of the pavilion picnic tables outside. These tables are extremely heavy for a reason --- you are not supposed to move them. Because they are SO heavy, they are hard to pick up. Because they are hard to pick up, on occasion someone will try to slide them into other positions. Sliding the tables can and will damage them.

Last month, someone moved almost all of the picnic tables under the pavilion, even moving some out into the yard. This damaged almost every table! Supports were bent, broken and the tables were damaged such that the basic structural support became unstable. All of the tables had to be repaired, and repaired quickly because functions were scheduled by residents, some for months in advance. Luckily, a couple of our citizens with carpentry experience were available to make the repairs right away!

Your town council wants to continue the wonderful tradition of making YOUR Town Hall available for you to use FREE OF CHARGE! This is a perk that is not offered by any other city or town in our area. Even Oak Mountain State Park charges a premium for use of their outdoor facilities. We believe that our Town Hall and Pavilion belong to all of the citizens of our wonderful town, and that it is just one more reason why Indian Springs Village is the BEST place to live!

We are all caretakers of our town, and our town's property. That said, every one of us must make sure that great care is taken when any one of us is using the facility. We can all do this by making sure that the rules are followed to the letter, and that when we DO use the ISV Town Hall, we leave it in a condition that is as good, if not better, than we found it!

## **Indian Springs School to Hold *Summer @ Springs* Enrichment Program**

*submitted by Melanie Kieve, Assistant Director of Development,  
Indian Springs School*

With courses from SAT/PSAT preparation to acting to robotics, Indian Springs School will hold its popular *Summer @ Springs* enrichment program during selected weeks in June and July at its campus just south of downtown Birmingham. Spanning academics, athletics and the arts, course offerings include robotics, black and white photography, creative writing and bookmaking, acting, wetlands ecology, writing organically, geometry readiness, algebra readiness, cryptography, entrepreneurship, SAT/PSAT preparation, college application essay writing, French language and culture, grammar boot camp, cross country training, music recording and production, study skills and strategies and science discovery. Courses run one to two weeks.

A non-residential program, *Summer @ Springs* is open to students who are entering grades 4-12, and grades and tuition varies per class. A French language and culture course will also be offered to adults. All courses will be taught at Indian Springs' 350-acre campus, located near the intersection of I-65 and Cahaba Valley Road just south of downtown Birmingham.

For more information including specific dates, length of courses, and tuition, visit [www.indiansprings.org/summer](http://www.indiansprings.org/summer) or contact *Summer @ Springs* Director Douglas Ray at [dray@indiansprings.org](mailto:dray@indiansprings.org).

## **Dr. Ashley Weems**

Ashley Weems, daughter of Bill and Patti Weems of Indian Trail, was awarded her Doctor of Pharmacy on May 8 from the Harrison School of Pharmacy at Auburn University. Dr. Weems was a 2005 graduate of Oak Mountain High School and a 2008 graduate of the University of Alabama. She is employed by Walgreens Corporation. She also wishes to thank Neil Damron of Neil's Pharmacy for his support and encouragement while seeking her degree.

## **Shelby County Reporter Seeks ISV Columnist**

Here at the Shelby County Reporter, it is one of our goals to have community columnists that write weekly columns about each of our communities. About half of our county communities currently have columnists, and we are making a big push to try to get columnists for the rest of our communities as well. Currently, we are seeking a columnist for Indian Springs Village.

Typically, columnists write about interesting people, events or businesses in their communities. Columns are around 350 words. We pay \$25 per column with an extra \$10 if a photo is also contributed. An Indian Springs columnist should live in Indian Springs. Columnists should not be public officials.

If you are interested and/or would like more information, please contact Amy Jones via email at [amy.jones@shelbycountyreporter.com](mailto:amy.jones@shelbycountyreporter.com) or via phone at 669-3131, extension 30.

## **North Shelby Library Receives Grant from Dollar General Literacy Foundation**

*by Cecelia Dean, North Shelby Library  
Youth Department*

North Shelby Library received a \$3000.00 grant from the Dollar General Literacy Foundation. The grant will be used to promote early childhood literacy in the Shelby County area through a program called *Ready to Read*.

"Studies show that children who start kindergarten with good pre-reading skills will have increased school success in years to come. North Shelby Library has multiple story time programs and a wide range of books to help kids get ready to be readers. The Dollar General grant will help us expand and enhance our current activities and add more depth to our literacy efforts. With the Ready to Read program, we will be teaching parents the skills they need to help their children become proficient pre-readers."

– *Cecelia Dean, Children's Librarian*

The North Shelby Library District was created in 1988 by an act of the state legislature and a majority vote of the residents of the district to provide library services to an area of Shelby County which had no library and no municipality to support one. The library operates as a 501-c-3, non-profit corporation under the laws of the state and the direction of a five-member board. Board members are elected for staggered, four-year terms by the residents of the district in September of even numbered years and receive no compensation for their service. The population of the District is approximately 60,000 people and projected to be 65,000 by 2020.

The Dollar General Literacy Foundation is proud to support initiatives that help others improve their lives through literacy and education. To learn more about the Dollar General Literacy Foundation, visit [www.dgliteracy.org](http://www.dgliteracy.org).

## **A.D.E.M. Burn Ban May 1st - Oct. 31st, 2012**

*submitted by Eugene "Buddy" Tyler, Fire Chief,  
North Shelby Fire District*

The Alabama Department of Environmental Management is protecting the air quality by banning open burning during the warmer months of the year. The open burn ban goes into effect in May for twelve counties across Alabama. Those counties are Baldwin, DeKalb, Etowah, Jefferson, Lawrence, Madison, Mobile, Montgomery, Morgan, Shelby, Russell and Talladega.

The open burning of wood tree trimmings, brush, and debris can create ground-level ozone when volatile organic compounds and nitrogen oxides react in the presence of heat and sunlight. The debris can be generated by clearing land and construction/demolition activities.

Fine particulate matter is also found in the smoke from the open burning of vegetation and wood.

Though beneficial in the upper atmosphere, ozone is a respiratory irritant when found at ground level. In addition, fine particulate matter can travel deep into the lungs and cause respiratory distress.

The burn ban is one of many efforts ADEM utilizes to maintain air quality in Alabama. The environmental programs administered by the Department under the federal Clean Air Act support the over-arching goal of ensuring that all Alabama citizens have clean air to breathe.

In lieu of open burning, the Department suggests composting yard waste and using leaves, straw and grass clippings for mulch. In addition to providing air quality benefits, utilizing mulch in flower beds and gardens will also support efforts to conserve water resources.

For additional information, contact Scott Hughes at the Alabama Department of Environmental Management at 334-271-7955.

## **Garden Club Members Have Plant "Sale" or "Exchange"**

*by Ruth Goodwyn, Publicity Chair, Indian Springs Garden Club*

It was a beautiful spring evening when members of the Indian Springs Garden had their plant "sale" or "exchange" at the Town Hall Pavilion on Thursday, May 24.

While cleaning out flower beds and maintaining their own yards, members had selected and potted plants for this annual event. Choices ranged from Kentucky Colonel mint and other herbs to lamb's ears (which deer don't like), a propagated fairy rose, butterfly bush, hostas, daisies, leatherleaf mahonias and many more, to tiny Japanese maple trees. Some members who could not attend the event had sent their plants.

Members enjoyed refreshments provided by Nancy Nelson, President Liz Alosi and Ruth Goodwyn prior to a brief business meeting conducted by the president. Members had been e-mailed that the scheduled trip for May 21 to the Museum of Natural History and Arboretum on the University of Alabama campus had been postponed. Plans were discussed about making this trip in the fall, and other places members might be interested in visiting.

Each member drew a number and the plant sale proceeded. Some members had placed a suggested value of the plant beside its name; others had not. In that case, plant recipients were asked to donate what they considered the value of the plant to the Garden Club treasury—all were very generous in their estimations. After about three rounds of drawings, remaining plants were up for grabs, and not a plant was left.

The Thursday evening, July 28 meeting at the Town Hall will feature award-winning daylily photographer John E. Phillips of Hunter's Torch Daylily Garden, whose topic will be about daylilies. Located on Camp Horner Road, Hunter's Torch Daylily Garden is state-inspected and certified to ship daylilies anywhere in the United States.
