

Did you know that Indian Springs has it's very own gardening club? Whether you are a master gardener, brown thumb beginner, or maybe somewhere in between, we'd love to have you join us in the ISV Garden Club!

We are a down-to-earth 🧑🌿 group of ladies who meet each month for a little plant talk, fun & fellowship. Everyone is welcome so grab a friend and join us for our next meeting!

Thursday - March 28 th - 6:30 pm - ISV Town Hall

If you have any questions, please feel free to ask in the comments. Hope to see you soon!
