PAZ/ZBA Reports

The Mayor read a report submitted by PAZ Chairman Wayne Jones on the PAZ meeting held February 11, 2025. The report is as follows:

The published hearing for the combining of the 2 parcels located at 2115 Cahaba Valley Road for Larry Ware will need to be continued until March 4, 2025 Town Council meeting. (This will need to be stated in the Town Council meeting so that notice will not have to be resent). The reason for the continuance is that there were conditions to the approval by the Planning and Zoning Commission and the conditions which included corrections to the map have not been provided. These corrections will need to be reviewed by the Chairman of the PAZ and the Town Engineer. The Chairman of the PAZ contacted the surveyor on Monday, February 17th and was told that no corrections had been requested. The PAZ approval was also conditioned on the removal by the homeowner's association of the recorded easement between the two lots which

has not been provided. Therefore, the published and noticed hearing for the combining of lots 2 &3 of Block 2 in Indian Springs Ranch is continued until March 4, 2025.
