Message from the Mayor *by Steve Zerkis*

Our holiday season of Christmas, Hanukkah and New Year has come and it's still ours to enjoy. I hope it's been a wonderful time for everyone. As Pat and I drove around town in the evenings, it was nice to see the lights and decorations on our homes, yards and posts. I appreciate the efforts many of you have made to brighten up your homes and neighborhoods. Many thanks to many of you who took the time to decorate our ISV street signs with garlands and ribbons. The town looked very festive.

Many thanks to Margie Robins and her team who, again, did a wonderful job of bringing some happiness to the children of twenty-three families this Christmas. They purchased gifts, toys and other items they would not have been able to have under their trees. As you may know, Margie works with counselors at Oak Mountain schools to identify children who have real needs. Thank you for your donations to the ISV Children's Fund which made this happen. Your contribution is to a very good cause and qualifies you as being “angels”. Contributions to this fund are always needed and appreciated.

If you were near our Town Hall on Saturday afternoon, December 11, you saw that our parking area was full most of the day. Many thanks to the Crapet family for, again, inviting Santa to take a break from his very busy schedule at the North Pole to visit our families. He patiently talked with each child and sat for photos with everyone. We certainly appreciate his visit. After he left, I spoke with an elf and she said Santa had the largest turnout ever. Since Santa has his own special transportation, he doesn't have to fly through Atlanta. Lucky him!

A big thanks to everyone who contributed their time and energy in making this town work in 2010. I can't list all the names but virtually everything done in this town is done by volunteers – a lot of volunteers. All town work is done for the benefit of its residents. Your town government is truly local. We have no professional staff, just interested and resourceful residents, your neighbors, who get involved in the town. We would love for you to give a hand. It might be only a few hours now and then to participate on a commission or help set up one of our town events. Your help will be appreciated. Feel free to contact me or any member of your Town Council.

Happy New Year 2011,
the start of a new decade.

Town Council Meeting

December 7, 2010

The Indian Springs Village Town Council met at 7:00 p.m. at the Town Hall. The Mayor called the meeting to order and the City Clerk called the roll. All Council members were present except Stewart Dudley.

The meeting minutes for November 16 were presented to the Council for approval. Bell-Guercio made a motion to accept the minutes, seconded by Mendel. The motion was accepted unanimously.

The Mayor presented the letters received from the Oak Mountain schools stating how each plans to spend their grant. The elementary school plans to purchase the Discovery Education Program and a reading and math comprehension program. The intermediate school will purchase five new computers and library books. The high school will purchase three Promethean boards and the middle school plans to buy seven Samsung visual presenters. The Mayor proposed issuing the school grants. Robins made a motion to issue grants to the four Oak Mountain schools for \$4,000 each, seconded by Bell-Guercio. The motion was accepted unanimously.

The landscaping proposal was discussed. The entryway improvements, fencing and tree pruning and maintenance were discussed in detail. A work session will be held in January.

Jones gave an update on PAZ. There was no quorum at the last meeting, but the new building code was discussed. Ken Bush would like to re-subdivide the Bankware property into one parcel. Other rezoning issues were discussed. Bell-Guercio made a motion that the PAZ consider rezoning the minimal lot size for E-1 to three acres, seconded by Mendel. The motion was accepted unanimously.

For home-based businesses, Mayor Zerkis would like to send a letter with the business license renewals ensuring compliance with the zoning ordinance.

The City Clerk presented a resolution for the approval for beer and wine sales at Shane's Rib Shack. The resolution was approved unanimously.

Robins gave an update on previous road maintenance requests. Mile-marker 21 has been replaced. The signs with faded reflectivity are being replaced. The shoulder will be repaired. Jones asked about the debris clean-up and construction sign removal. Robins will follow up.

Robins gave an update on the Children's Fund. This year we will be shopping for 23 kids and working with Oak Mountain Elementary School Counselor, Hayden Belisle. Robins noted that Mrs. Belisle was recently named State Counselor of the Year.

The Christmas Party will be held after the next meeting. Santa will be visiting our Town Hall on December 11 courtesy of the Crapet family.

Mayor Zerkis adjourned the meeting at 8:10.

Respectfully submitted,
Kelly Rasco, City Clerk

Do You Know Anyone Who Wants to Annex?

by Steve Zerkis, Mayor

As you know, Indian Springs Village is a unique town with an all-volunteer government and no town-levied property taxes. Our town's Comprehensive Plan does not have any goals that include rapid and dense commercial and residential property development. Our major goal is to preserve the green environment we now have. Not every property is in the corporate limits of Indian Springs Village. If any of your neighbors now in unincorporated Shelby County would like to annex into Indian Springs Village, we invite them to join.

The annexation process is easy and there is no cost to the property owner. Just call or email Kelly Rasco, our City Clerk, and she will send an application form. Her contact information is 981-1808 or Kelly@indianspringsvillage.org. When the completed form is returned, we will obtain a legal description of the property from Shelby County. Those forms and the application will be given to the City Council for approval in the form of an ordinance that brings the property into ISV. That's all there is to it. Do a neighbor a favor and invite them to annex into ISV. If they have any questions, they can reach me at 222-1079.

New Courier Needed

Once again we need to ask for a volunteer to deliver *The Village Voice*. The route includes those homes located on Indian Crest from Mountain Park to Arrowhead Lane.

If you are interested in volunteering, please contact Alison Stigers at 253-1605 or email her at alison@indianspringsvillage.org. Thank you.

Garden Club Members to Hear about Bees and Flowers

by Ruth Goodwyn, Publicity Chair – Indian Springs Village Garden Club

After tidying up the Town Hall gardens in lieu of a November meeting and celebrating with the annual Christmas party, members of the Indian Springs Garden Club are preparing for spring and thinking about bees and blossoms.

“Bees and Flowers” will be the topic of the January meeting January 27 at the Town Hall at 6:30 p.m. Sally Lee, Jefferson County Extension Agent and a member of the Jefferson County Beekeepers Association, will be the speaker.

At that first meeting of the year, 2011 dues will be collected, new yearbooks distributed and suggestions for programs requested.

The Christmas party was held Sunday, December 12 at 1:00 p.m. at Eleanor Bennett’s house. Beautifully decorated, her Christmas tree was a cedar tree that had been cut down on her property. It was so tall it reached to the top of a vaulted skylight. Around it were placed the gifts for playing “Dirty Santa,” a favorite method of the group for distributing gifts after the Christmas feast.

Santa Claus Visits the Village

by Tricia Crapet, Town Hall Curator

With a twinkle in his eyes and the jingle of his sleigh bells, Santa Claus arrived at the Indian Springs Village Town Hall for his annual visit on December 11, 2010! Excited children of all ages were waiting in great anticipation of the jolly old elf's appearance, many with wish lists in hand, and a few hoping against all hope that Santa was not aware that they had been a little naughty this year! The familiar "HO! HO! HO!" resounded in the children's ears, while visions of all the latest toys, games and electronic gadgets danced in their heads!

Santa's yearly visit to the ISV Town Hall is always a treat for children - young and old - who come to tell Santa all their Christmas wishes. Santa Claus was cheery in his red suit trimmed in white fur, and joked with some of the children about whether their parents had been good or bad this year! Santa's "children" were from all age groups, and included Moms, Dads, Grandmas and Grandpas, Aunts, Uncles, cousins and other extended family members and friends. Santa spent as much time with each child as they wanted, while parents and family members snapped photos for a lifetime of being able to relive the fantastic reality that IS Santa Claus.

Santa's elves were very busy this year taking photos and serving food to the enthusiastic crowd. Everyone was dressed in their Christmas best for Santa! As in previous years, Santa gave each child a gift of crayons after he listened intently to their wishes and dreams! Both children and adults waited patiently for their turn to give Santa an earfull!

Mrs. Santa had been busy all week preparing and baking many homemade goodies for Village families to enjoy while waiting for their turn to sit on Santa's lap! The smell of hot mulled apple cider hit the spot on this cold day, while friends and neighbors enjoyed each other's company and caught up on family and neighborhood happenings. Many Moms expressed relief in that this year there would be no standing in line at the mall for hours to get a glimpse of what must only be one of Santa's helpers, and not the REAL Santa himself!

Santa and Mrs. Claus would like to thank Cathy Crapet, Olivia Weingarten, Beth Tortorici, Marilyn Tombrello, Joseph Crapet, Frank Tombrello, Jennifer Tombrello, Sarah Carter, and new mom Stephanie Tortorici-Johnson for helping with hostess duties, and rookie elf Jennifer Schwab for helping Santa and the families with all their needs for the day. A big thanks to Marilyn Tombrello and Olivia Weingarten for bringing some of their delicious fresh-baked goodies, as well!

Remember to be good EVERY day, because Santa is always watching!!!

Top to bottom: The Stovall family - Jamie, Jerry, Becky, Kristen, and Ansley - visit with Santa every year!

Santa affects some children in the most surprising ways! One precious little munchkin slept through the whole experience!

Santa is listening intently to Brayden, as beaming parents Austin and Alyson Smith, proudly look on.

Katherine and Matthew Rasco are all smiles for Santa! Parents are Brian and Kelly Rasco.

**ISS Students
Honored for
Accomplishments in
Poetry**

*submitted by Melanie Kieve,
Assistant Director of Development*

Three Indian Springs School students have been honored for their accomplishments in poetry.

ISS sophomores Benjamin Kitchens of Indian Springs and Alice Marson of Mountain Brook took home honors at the Alabama regional finals of the national Poetry Out Loud Competition, which took place December 7 at the Bama Theater in Tuscaloosa. Marson's recitation of her poem "To Rosie" earned first place in the part of the competition featuring original poem recitations. Kitchens placed third overall in the part of the competition that featured the recitation of poems from the Poetry Out Loud anthology. With their performances, Kitchens and Marson earned spots in the state Poetry Out Loud competition in Montgomery on February 21, and they will have a selection of their original poems published in a chapbook produced by Slash Pine Press. Poetry Out Loud is sponsored by the National Endowment for the Arts and the Poetry Foundation.

Three poems by ISS junior Emily Cutler of Hoover were accepted for publication in the Fall 2010 issue of the *Minetta Review*, New York University's literary magazine.

Oak Mtn. Middle raises \$24,640 for Toys for Tots

By Corinne Alcazar, Alabama's 13.com (Information from Shelby County Schools originally published 12/8/10, with additions by Steve Zerkis)

Each year, Oak Mountain Middle School students set a goal of \$20,000 for the local Toys for Tots campaign. And each year they not only reach that goal, but they exceed it, guaranteeing that many deserving children in Central Alabama will have presents under their Christmas trees.

This year the students raised \$24,640. The school has raised nearly \$250,000 since it first began its annual Toys for Tots campaign in 1999. The school holds the national record for the largest school donation for Toys for Tots with \$42,000 raised in 2006.

"We are just so proud of these students," Haynes said. "This year, the Marines have contacted us and told us that they are relying on our donation more than ever this year, so I am just really proud of how our students will be able to make a difference for them."

The Toys for Tots project at Oak Mountain Middle School is led by its National Jr. Honor Society. On Thursday, December 16, the National Jr. Society students spent the morning shopping at Toys-R-Us in Hoover. That afternoon, school principal Larry Haynes held a student assembly where the toys were presented to representatives of the U.S. Marine Corps who sponsor Toys for Tots. Because of their outstanding performance, the Oak Mountain Toys for Tots program was able to obtain matching funds to make the overall benefit close to \$50,000. This was an outstanding achievement by students of the Oak Mountain Middle School.

Teen Book Pick of the Month – *Empty* by Suzanne Weyn: It's the near future - the very near future - and the fossil fuels are running out. No gas. No oil. Which means no driving. No heat. Supermarkets are empty. Malls have shut down. Life has just become more local than we ever knew it could be. Nobody expected the end to come this fast. And in the small town of Spring Valley, decisions that once seemed easy are quickly becoming matters of life and death. There is hope – there has to be hope – just as there are also sacrifices that need to be made, and a whole society that needs to be rethought. Teens like Nicki, Tom and Leila may find what they need to survive. But their lives are never going to be the same again. *(From Product Description)*

Winter Safety Tips

submitted by Shelly Thomason,
Shelby County Community Services Coordinator

More home fires happen during the winter months than any other time of the year, mainly due to home heating devices. People age 65 and older are three times more likely to die or be injured in a home fire as those younger than 65. In addition, heating devices and household appliances that are fueled by gas, oil, kerosene or wood in a closed-up house can also produce deadly carbon monoxide gas. Some simple things seniors can do to protect themselves are:

- Install smoke and carbon monoxide detectors on every level of the home and check the batteries every month and change them at least once a year.
- If you’re using a space heater, remember that space heaters need space. Keep anything that can burn at least three feet away from the heater and, if you’re looking to by a new space heater get one that automatically shuts off if the heater falls over.
- If you use a wood-burning fireplace, make sure you have a glass front or screen large enough to catch flying sparks and rolling logs. Have the chimney flue pipe checked once a year.
- Get an ABC multipurpose fire extinguisher for the home, learn how to use it and check it yearly to be sure it is working properly.
