Message from the Mayor *by Steve Zerkis*

We know summer is here when the temperature gets in the 90's and it's called a welcome break when it is only 84 degrees. Well, it's here. Now, if we could only get some rain.

There is a significant town event you need to know about. There will be a Town Hall Meeting on Tuesday, June 21, 2011 at 7:00 p.m. with two significant items for consideration by the City Council. The first item to be considered is the approval of a new sign ordinance. The current ordinance is about twenty years old and needs to be updated. Rather than just make a few changes, we decided to review it thoroughly and rewrite the ordinance. Your input would be appreciated.

The second is a change to the Zoning Ordinance. Currently, our E-1 Estate zoning requires a lot size of a minimum of one acre in order to build. A majority of the town is currently zoned E-1. Under the proposed change, that minimum lot size would be raised to three acres. Property currently subdivided into lots of less than three acres would remain buildable lots under this change if they also meet the requirements of the current zoning ordinance. Nothing would change for your buildable lots.

This change only affects future redevelopment of land. In the future, if land is to be subdivided, it will be for a minimum lot size of three acres. There are a number of reasons for this proposed change, not the least of which is storm water control. Anyone who has travelled on Highway 119 or lives near Bishop's Creek knows about recurring flooding and property damage. This is also occurring in other parts of town. We will be discussing the rationale for this change at the Town Hall meeting. Your thoughts and comments will be most welcome by the City Council as it considers this change.

Our Annual July 4th Celebration is coming up soon and you and your family are invited to come to the Town Hall to meet your friends and neighbors and have our wonderful barbeque and special home-made desserts. The parade will start from the Winn-Dixie parking lot with vehicle registration at 10:00 a.m., and a start time of 10:30 a.m. We will wind through town to the Town Hall. The route is described on page 4 and is the same as the last few years. Come out around 10:30 a.m. along the route to wave, cheer and catch some treats. The flag ceremony starts at 11:30 a.m. under the leadership of Jim Wyatt and a barbeque lunch will be served at the Pavilion from noon to 2:00 p.m. We will have some great music and I understand an artist will be there to paint faces.

Please join the parade. Pile your friends and family in your vehicles and have a fun ride. If you are in the parade, I can guarantee that the festivities will not start until we all get there. See you all on Monday, July 4. Bring some home-made pastries and your appetites. We will ask our Sheriff's deputies and Fire Department personnel to judge the pastries.

Town Council Meeting

April 19, 2011

The Indian Springs Village Town Council met at 7:00 p.m. at the Town Hall. The Mayor called the meeting to order and the City Clerk called the roll. All council members were present except Jack Mendel.

The meeting minutes for April 5 were presented to the Council for approval. Robins made a motion to accept the minutes, seconded by Bell-Guercio. The motion was accepted unanimously.

Stauss reported for the ZBA. He previously received an application for a variance for a house being built in Homestead that is too close to the property line. He has now received the application fee and a plat map. The builder is requesting a variance to the setback requirements. Stauss will contact the other board members and Frazier Christy, City Engineer, to schedule a meeting.

Mayor Zerkis stated that the PAZ will meet to review the sign ordinance and the zoning change from one to three acres. After review, they will present both to the Council at an upcoming meeting.

Robins contacted Gary Ray of ALDOT regarding the missing Adopt a Mile and mile marker signs on Highway 119. Ray confirmed the signs have been ordered. Robins inquired again about the removal of the construction debris on the Highway 119 lake property. Ray will contact Carcel and G to pickup the debris. Robins contacted Bobby Trussell and asked that he not cut the back field before the Easter Egg Hunt.

Bell-Guercio reported that she has confirmed the Sheriff's Deputy to assist with parking. The Easter Bunny has also been confirmed.

Stauss reported that he put an article in the recent issue of *The Village Voice* requesting bids on the Kubota tractor the City has for sale. One resident contacted him and offered a bid of \$2750 which was not accepted. Stauss spoke with Dale at Cahaba Tractor. He feels the current price is too high but will advertise the price at \$5,000 – make offer.

Mayor Zerkis gave an update on the emergency siren. The chargers are burned out, probably due to a lighting strike. Chief O'Connor replaced the batteries. The chargers will be replaced and will cost approximately \$1,500.

Zerkis reported that the total cost for the repair and replacement of damaged wood on the Town Hall was \$2,265. Repairs are still needed on the ramp and back porch. This area also needs to be brought up to ADA standards. Mayor Zerkis has received a bid of \$3,340. The bid proposal needs to be reviewed before proceeding.

Mayor Zerkis has received two bids and is awaiting a third for painting the exterior of the Town Hall. This will include preparation of the wood, priming, two coats of paint and trim. The first bid is \$7,185 and the second is \$6,250.

Bell-Guercio motioned to waive the rules, seconded by

Robins. The motion was accepted unanimously by roll call vote. Bell-Guercio motioned to proceed with the siren repairs by the North Shelby Fire District at a cost not to exceed \$1,500. Robins seconded the motion. The motion was accepted unanimously.

Stauss made a motion to waive the rules, seconded by Bell-Guercio. The motion was accepted by unanimous roll call vote.

A motion to pay \$2,265 for the Town Hall repairs was made. Stauss made the motion, seconded by Robins. The motion was accepted unanimously.

Dudley made a motion to waive the rules, seconded by Stauss. The motion was accepted by unanimous roll call vote. Dudley made a motion to pay to have the building painted at a cost not to exceed \$7,000. Bell-Guercio seconded the motion. The motion was accepted unanimously.

Bell-Guercio made a motion to suspend the rules, seconded by Dudley. The motion was accepted by unanimous roll call vote. Robins made a motion to proceed with the renovation of the ramp and porch at a cost not to exceed \$3,500. Stauss seconded the motion. The motion was accepted unanimously.

Mayor Zerkis received an email from a resident on McGuire Road complaining about the drainage on his property when it rains. The drain in front of his property was eroding and Randy Cole, County Engineer, recently sent a crew to install riprap, but the resident said it is making the flooding worse. A discussion followed.

Austin Saab of Troop 71 from Our Lady of the Valley attended the meeting to earn his Citizenship in the Community badge. He is currently working towards Tenderfoot.

Bell-Guercio inquired about the status of the proposed fire hydrants. Mayor Zerkis will follow up with Chief O'Connor.

Mayor Zerkis adjourned the meeting at 8:07 p.m.

Respectfully submitted,
Kelly Rasco, City Clerk

Town Council Meeting

May 3, 2011

The Indian Springs Village Town Council met at 7:00 p.m. at the Town Hall. Councilman Herb Robins called the meeting to order and the City Clerk called the roll. All council members were present except Mayor Steve Zerkis and Stewart Dudley.

The meeting minutes for April 19 were presented to the Council for approval. Stauss made a motion to accept the minutes as amended, seconded by Bell-Guercio. The motion was accepted unanimously.

Katie Guerin, Director of the North Shelby Library, and Kate Etheredge, the Young Adult Service Coordinator attended the meeting. Ms. Guerin gave a summary of the library's summer reading program. She also explained that because of a change in the state law, that the grant previously

provided by Representative Mary Sue McClurkin was no longer legal. Guerin requested a grant from the City for \$2,000 for the purchase of new library books. Bell-Guercio motioned to suspend the rules, seconded by Stauss. The motion was unanimous by roll-call vote. Bell-Guercio made a motion to make a grant for the North Shelby Library for \$2,000 for the summer reading program, seconded by Stauss. The motion was accepted unanimously.

Robins thanked Bell-Guercio for a successful Easter Egg Hunt.

Mendel presented the March financial report and noted that we are half way through the fiscal year. Mendel stated we would accept the library grant as approval for extending the budget by \$2,000. Mendel made a motion to endorse the financial report, seconded by Bell-Guercio. The motion was accepted unanimously.

Wayne Jones reported for the PAZ. Notices have been posted for the upcoming meeting. At the May 17 council meeting, an update to the signage regulations and a recommendation on a zoning change from one to three acres will be presented.

Stauss reported for the ZBA. A meeting on May 12 will be held to hear the application from builder Chuck Kitchen for his request for a variance for the house he is building in the Homestead subdivision.

Regarding the tree on the Town Hall property that was blown down during a recent storm, Robins contacted Shelby County. They will discuss and let him know if they can remove it.

Jones spoke with employees of Carcel and G regarding their debris left on the lake property. They stated they did not know anything about the request for removal. Jones asked Robins to speak with Gary Ray of ALDOT again.

Robins reported for Mayor Zerkis. Mike Smelcer will begin the repair work to the handicap ramp this week. The painter will begin prep work.

Mayor Zerkis has been in touch with Jim Wyatt to request the Iwo Jima re-enactors for the Fourth of July celebration.

Bell-Guercio spoke with Carl Hess of Shane's Rib Shack. He would like to bid on the Fourth of July catering. Robins will speak with the store manager and give them the event details.

Robins asked that everyone be in prayer for those affected by the recent storms – families, rescue workers, etc... He encouraged everyone to help in any way they can – serving a meal, donating goods, time or money. Robins further discussed service opportunities.

Blake Bagwell of Troop 254 from Briarwood attended the meeting to earn his Citizenship in the Community badge.

Councilman Robins adjourned the meeting at 7:55 p.m.

Respectfully submitted,
Kelly Rasco, City Clerk

In Raincoats, Carrying Umbrellas Gardeners Tour Succulent Garden

*by Ruth Goodwyn, Publicity Chair,
Indian Springs Garden Club*

The weather put a damper on the Thursday, May 26, meeting of the Indian Springs Garden Club, when members car-pooled to Trussville to visit a garden of succulents. Fortunately, members had heard Michelle Reynolds when she was a previous guest of the garden club and had brought examples from her rock garden, as well as native plants and wildflowers, and presented a slide show.

The visitors had left Indian Springs from the Town Hall well-prepared for the weather. As they approached the Reynolds' old Spanish-style home around 5:30 p.m., it started pouring down rain. In raincoats and carrying umbrellas, members toured the gardens and saw not only the many plants, but also the hand-made containers in which some of them were planted. Garden Club president Patsy Strozier's mother was a guest and all agreed the trip was worth the time and being out in the rain.

On Saturday, June 25, members will meet at 7:00 p.m. at the Town Hall to tidy up the gardens in readiness for our annual Fourth of July Celebration. On Saturday, July 30, they will visit what has been described as a "stunning" oasis.

US Flag Collection and Retirement

by Steve Zerkis, Mayor

A reminder that if you have an old US flag that is torn, faded and not fit for service, it should be disposed of in a respectful manner. A US flag should never be placed in the trash.

We will be glad to collect them from you. Just fold and bring your flag to the Town Hall Pavilion on July 4. There will be a box set up for your flags. All flags collected will be turned over to a Boy Scout troop to perform a flag retirement ceremony where the flags are burned and the ashes buried. This ceremony will be done at a later date.

Farmers' Markets

by Steve Zerkis, Mayor

It's that season again. Farmers' Markets are opening around both Shelby and Jefferson counties. Fresh, local strawberries and blackberries, peaches, tomatoes and lots of nice vegetables are yours to buy from local farmers. If you want good taste and to support your local economy, buy from local farmers. The closest farmers' market is on Valleydale Road across from Jefferson State College at Faith Presbyterian Church and it is open on Saturday mornings from 8:00 a.m. until noon. There are farmers' markets in Mount Laurel, Helena and Columbiana that are also open on Saturdays. The farmers' market in Montevallo is open on Monday from 3:00 to 6:00 p.m. and Calera's market is open on Tuesday also from 3:00 to 6:00 p.m. The big one is the Pepper Place farmers' market on Saturday mornings at 2nd Avenue South and 27th Street. Try them all. There is nothing better than Alabama peaches.

Cakes and Pastries for July 4th

by Steve Zerkis, Mayor

Who doesn't like home baked cakes, pies and pastries? One of the highlights and traditions of our July 4th Celebration is the opportunity to enjoy some of the wonderful things that you, your friends and neighbors bake. Last year's pastries were outstanding. We'd love it if you would bake your favorite item and share it with your neighbors at the Town Pavilion. As we do every year, we will ask are our firemen, sheriff's deputies and scouts to be our main judges. Everyone's goods will be tasted and enjoyed. If there is any cake left over, it will find a good home with the North Shelby Fire Department.

Cutler's play, "*All Generalizations Are False*," won second place in the short play category of the 2011 Columbia College Chicago Young Authors Writing Contest, and her novel, *Being a Nobody*, was one of 25 works out of 700 entries to receive a Gold Key Award in the Scholastic Push Novel Contest.

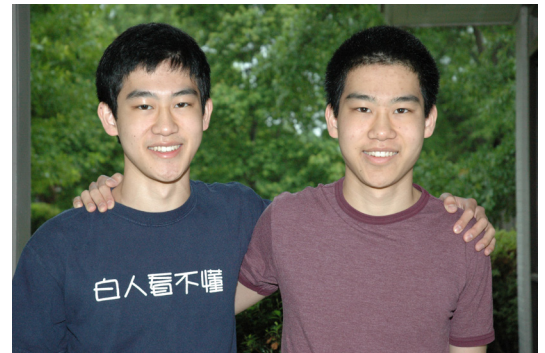

Another one of her plays, "*The Tutor System*," was selected as a finalist in the Alabama Shakespeare Festival's 2011 Young Southern Writers' Project Competition. The Alabama Shakespeare Festival recognized Cutler at an awards ceremony in Montgomery, Ala., on April 30, where the keynote speaker, actor Tyler Jakes, commented that Cutler's play redefines student-teacher relationships without conventional bounds and without the sensationalism of today's headlines.
