EDITOR'S NOTES

The Village Voice is the official organ of Indian Springs Village, AL, established October 16, 1990. The mission of this newsletter is to foster a spirit of community and co-operation. It is the vehicle for reporting the monthly deliberations of the mayor and council in town council meetings; additionally it provides these officials and other Villagers a means of communicating – it is a “voice.”

The Village Voice is published the second week of each month. Articles for the March edition should be submitted by February 23, 2016. All materials submitted for publication may be edited, including letters to the editor, which must be signed and give writer's address and phone number: All opinions expressed in this newsletter are those of the authors of articles.

Address letters to the editor and news items to:
Leigh Whatley, Editor
5301 Mountain Park Drive
Indian Springs Village, AL 35124
Tel: 205.238.5924 or
email: leighwhatley@gmail.com.

Editor's Appreciation:

Mildred Wyatt for the masthead drawing. Although Mrs. Wyatt has passed away, this acknowledgement will continue in honor of the contributions of Mrs. Wyatt and her family to The Village Voice and the town of Indian Springs Village.

MESSAGE FROM THE MAYOR

Well, I am sitting here at my computer waiting for the snow to start! Hope each of you have made the obligatory trip to the supermarket for milk and bread. I never fully understood the need for those 2 specific items. Maybe bread along with sandwich meat and milk if there are young children in the household or if accompanied by a bag of chocolate chip cookies. Oh, well, hopefully things won't be as bad as predicted. Keep warm and dry, ISV citizens!

For a much awaited update on the Dam Breach Analysis we have been requesting for a long time, the Inundation Study draft came out and is very thorough. Our town engineer, Frazier Christy, had a few questions that are being addressed by conferencing with the County and the firm that did the study. Meanwhile, this is not holding up the development of an Emergency Action Plan for areas that could be impacted by flooding. I am convinced this never would have been looked into or moved on without Indian Springs being persistent and determined to get this accomplished.

We are working very hard on our Storm Water Management Plan for Phase II MS4 (municipal separate storm sewer system) that is now required through EPA and ADEM. The council, along with our town engineer, are also in the process of developing an erosion and sedimentation control ordinance that I believe will help in the future to protect property owners from such scenarios as inappropriate dumping like mud and water from construction sites that could be prevented with proper erosion control measures.

Sincerely,

Brenda Bell-Guercio

TOWN COUNCIL MEETING

December 15, 2015

The Indian Springs Village Town Council met Tuesday, December 15, 2015. Mayor Bell-Guercio called the meeting to order at 7:00 P.M. Bell and Brenna Casey led the Pledge of Allegiance. The Town Clerk called the roll and all council members were present except Councilperson Kathryn Harrington.

The minutes of December 1, 2015 were reviewed and accepted as written.

Mayor Bell-Guercio adjourned the meeting at 7:05 P.M. and invited everyone to join us for the Christmas party.

Respectfully submitted:
Joan Downs, Town Clerk

TOWN COUNCIL MEETING

January 5, 2016

The Indian Springs Village Town Council met Tuesday, January 5, 2016. Mayor Bell-Guercio called the meeting to order at 7:00 P.M. Following the Pledge of Allegiance, Chairman Pro Tem Herb Robins called the roll in the absence of the Town Clerk. All council members were present except Councilman Stauss.

The minutes of December 15, 2015 were reviewed and accepted as written.

Councilman Mendel presented the Financial Report for November 30, 2015. He noted that the expenses to date (\$49,502) for the cleanup of the Andrews property were shown as a receivable. ISV will be reimbursed by the Andrews for those expenses. Mendel moved to endorse the report and Councilperson Harrington seconded. The vote was unanimous.

Fire Chief Buddy Tyler reported that North Shelby made 1659 calls in 2015. In December 2015, they made a total of 139 calls (49 fire related, 90 medical related). He noted he was replacing staff as people retired and the Fire Board approved additional funding so he can hire firemen with experience. He noted no major problems with the recent flooding but that they had responded to a home invasion in Meadow Brook where someone was injured. Deputy Lee Stockman noted that there had also been some vehicle break-ins. The Sheriff's Office responded to 72 calls in December in ISV. In 2015, they responded to 1184 calls in ISV.

Robins reported that Danny Barry of Covenant Lawn Care had submitted his new contract for 2016 as previously approved by the Council. Changes from 2015 are \$625/month for 12 months which includes weekly

service April 1 – September 30th and bi-weekly for the remainder of the year. It also includes shrub trimming rather than \$50/time as directed by the previous contract. Everything else is the same. Robins noted he had contacted the County and State Highway Departments and had culverts cleared on Highway 119, Indian Trail and Rockford Road following the storms. To report a problem directly to the County or State Highway Departments, call 669-3880 and 668-0173 respectively. Robins also reported that Wayne Jones and he had met with architect Mark Burns to get an update on the design plans for the multi-purpose building proposed to replace the storage sheds behind the pavilion. Mark had redesigned the bathrooms to make sure they met ADA specifications. The proposed building was reoriented to reflect a barn style that would be both functional and aesthetically pleasing with the rest of the property and facilities. He will present a finalized draft to the Council for input.

Mayor Bell-Guercio introduced the proposed Storm Water Management Plan which is required for the Town's pending Phase II MS4 permit (Municipal Separate Storm Sewer System). The Phase II permit is required by ADEM (Alabama Department of Environmental Management) for all storm water discharges from small municipalities in an effort to protect water quality by reducing the discharge of pollutants in storm water. The plan was drafted by Town Engineer, Frazier Christy and he and the Mayor explained the need for the plan and the basic requirements of the plan. The plan calls for the establishment of a Citizen's Environmental Advisory Committee which the Mayor is in the process of assembling. There was much discussion by the Council and the proposed plan will be posted for a public hearing. A proposed Erosion Control and Sedimentation Ordinance was introduced by the Mayor and the Town Engineer. Christy gave a general overview of the ordinance which is designed to control/prevent damage to adjacent property owners and drainage ways from construction erosion. The proposed ordinance was discussed and will be posted for a public hearing. A proposed application for a Land Disturbance Permit was also discussed.

A proposed ordinance to establish a new fee schedule for various applications required by the ISV zoning ordinance, subdivision regulations and other town ordinances was also discussed. Several minor changes were suggested by the Council for all three documents.

A resident asked the Council if UBER was authorized to do business in ISV. The Council responded "no" but would investigate to see if they are operating without permission in ISV. The same resident presented the Council with a letter from the Attorney General dated 12/8/15 addressing the prohibition of firearms at certain

public facilities. In response to a previous opinion addressing the issue, the Council posted the Town Hall and Pavilion as a gun free zone. The Mayor said that the Council would research the latest interpretation and alter or remove the signs as required by State Law.

Bell-Guercio adjourned the meeting at 8:30 P.M.

Respectfully submitted:
Councilman Herb Robins

GARDEN CLUB MEMBERS SEE FAIRY GARDEN DEMONSTRATIONS

by Ruth Goodwyn, Publicity Chair, Indian Springs Garden Club

Personnel from Myers Plants and Pottery, located on Highway 31 in Pelham, presented the program on fairy, or miniature, gardens at the Jan. 28 meeting of the Indian Springs Garden Club at the Town Hall, beginning at 6:30 p. m. Nancy Myers (co-owner of Myers with her husband), Darlene Wesson, and Cindy Teesateskie all three had interesting information to impart about indoor gardens. (When asked about her last name, Teesateskie explained that it was Cherokee Indian.)

A “how to” demonstration was given: put down fine gravel, fine charcoal, soil – fine peatmoss, and then place your miniature plants. Trays and trays of various plants were available, including ferns and succulents and air plants, some in bloom, plus trays of miniature furniture and animals. Pieces of rustic-looking furniture which would make interesting fairy garden containers were also on display. A beautiful terrarium, or sealable glass container, was passed around for all to admire as another example of an indoor garden. Terrariums have a long history as decorative or ornamental items and can be open or closed.

Vice-President Marge Dunn, who had arranged for the speakers, introduced them. Dues, \$10.00 per person or \$12.00 for husband/wife, were paid to Jennifer Bondi, Treasurer. A preliminary membership list was passed around and corrections made. Former member Lynn Hendricks, who now lives in Kathleen, Georgia, surprised us all with a visit, being present at the meeting. In other news, member Jennie Pittman, who was in a car accident before Thanksgiving, is expected to return home next week from a rehabilitation facility.

At our February meeting, Thursday, Feb. 26, 6:30 p.m. at the Town Hall, new member Judy Goodwin will demonstrate how to make the sweatshirt jackets that she brought to our Christmas party. Later on she will help us make our own.

INDIAN SPRINGS SCHOOL DEBATE TEAM WINS FIRST AT SAMFORD TOURNAMENT

The ISS team of Sam Newton '16 and Ulysses Keevan-Lynch '17 claimed first place in the Novice Division of Public Forum Debate Saturday at Samford University's 2016 Bishop Guild Debate Tournament, winning the final round by a unanimous decision.

Competing against two-member teams from other area high schools, Newton and Keevan-Lynch were undefeated in seven debates during the day-and-a-half-long event, the students' first-ever debate tournament. They won five rounds affirming and two rounds negating the topic "Resolved: On balance, economic sanctions are reducing the threat Russia poses to Western interests." In addition to winning the 1st Place Team award in Novice Public Forum Debate, Newton won the 1st Place Speaker award and Keevan-Lynch won 2nd Place Speaker for the division.

“We are extremely proud of Sam and Ulysses, whose diligence and hard work enabled them to claim first place in their division,” says ISS Debate teacher and Debate Team faculty advisor Chuck Williams. “In the days leading up to the tournament, they worked with other members of the ISS Debate Team to prepare by running practice rounds, researching, refining and rewriting their cases. This is truly a victory for all the members of our team.”

Recently named by Business Insider one of the smartest boarding schools in the nation, Indian Springs School is a national leader in coed boarding and day education for grades 8-12. Inspired by the motto “Learning through Living,” the school seeks to develop in students a love of learning, a sense of integrity and moral courage, and an ethic of participatory citizenship. For more information, please visit www.IndianSprings.org. —

HELP, HELP, HELP IS NEEDED...

by BJ Scharath

Believe or not, Easter is just around the corner!!! That means planning and preparing for the Annual ISV Easter Egg Hunt is getting ready to burst into full swing!

The Village works hard to make sure that the Annual Easter Egg Hunt is fun for every child participating, and everyone leaves with lots of eggs, prizes and goodies. Many local vendors contribute items that can be stuffed into all the eggs. And even though the actual Hunt only lasts 10-15 minutes, there are many hours of prep work needed to make the Hunt successful for the children.

So, how many eggs are "hidden"? If you guessed 1,000 eggs, you are wrong!!! Over 2,000 eggs are stuffed with goodies and hidden for some lucky child to find. And even though there is only one official start time for the hunt, the grounds of the Town Hall are divided off into five discreet areas, so children participate with other children their own age. In fact, it's all so much fun, even the Easter Bunny shows up to join in the festivities!

The coordinator this year is Margie Robins. Many volunteers are needed to help with a variety of tasks. Volunteers can be any age, young or old. If you know someone who has a school commitment to volunteer at least three hours for a community service project, call Margie! If you are retired and have time on your hands, call Margie! If you work, and still want to help, call Margie! The only job requirement is enthusiasm and a willingness to help.

Look in the March edition for specific details about the Easter Egg Hunt, which is scheduled for 3 pm Saturday, March 26th. Here is a list of needed volunteers:

Prior to Day of the Hunt:

- Help soliciting and/or purchasing child appropriate prizes
- Help with stuffing Easter eggs
- Groundskeeper duties (make sure grass is mowed, ant beds and other kid-unfriendly things are removed/minimized)

Day of the Hunt:

- 10 am morning of the Hunt: volunteers to help hide 2,000+ eggs

For the Hunt:

- Adult Volunteers to supervise each of the five (5) age specific hunt areas
- Under 2
- 2-3 year olds
- 4-5 year olds
- 6-7 year olds
- 8-12 year olds
- Two "Redeemers" (individuals who help with redeeming found gifts and prizes)
- Volunteers to work the lines for free give aways
- Volunteer to Start the Race
- Help with clean up post-hunt

If you want your children or grandchildren to have a fun Easter day, consider helping Margie make this a very successful and happy event by volunteering for one or more tasks listed above.

23rd Annual ISV Easter Egg Hunt

Saturday, March 26, 2016 3:00 p.m.

INDIAN SPRINGS VILLAGE TOWN HALL

All children through the age of 12 are invited! Bring your own baskets and be ready to hunt for eggs, trinkets, candy and cash prized!

Volunteers are still needed!

Call Margie Robins at 205-980-9217 and give her a great Easter present of your time and energy!!!

IN SYMPATHY

Our sympathy is extended to the family of Shirley Anne Bridges Knight. Shirley Anne Bridges 84 of Indian Springs, died Tuesday, December 22, 2015. She was born in Birmingham, Alabama, 15 August 1931, the only child of Chadwell Coldwell Bridges and Katherine Schlichter Bridges. She attended Elyton School before the family moved to Jackson, Tennessee, where she graduated from Jackson High School in 1948. Mrs. Knight was a 1952 graduate of Union University, Jackson Tennessee with majors in music and education. While at Union, she was soloist with the Union University Choir and Chorus. She was a member of honorary music, drama, and literary societies and of Chi Omega. She was literary editor for the Union University newspaper and won several local, regional and national awards for creative writing. Mrs. Knight was elected secretary of the sophomore and the senior classes and twice elected to the University's homecoming court. She was selected for the 1952 edition of Who's Who Among Students in American Colleges and Universities. Upon graduating from Union, she received a piano scholarship for summer study in Estes Park, Colorado, with Dr. Arne Oldberg, renowned pianist and master teacher. A classically trained pianist and lyric soprano, she presented musical programs for churches, civic clubs, professional organization and conventions throughout the Southeast. Mrs. Knight received a Master of Arts degree in music education from George Peabody College for Teachers, Nashville, Tennessee in 1953. She taught in the Birmingham City System and was choirmaster at St. John's Evangelical and Reformed Church for several years. Following her marriage, she devoted her time to her family and served as choirmaster/organist for several Birmingham churches as well as teaching piano in her home studio. In 1968, she returned to teaching school and taught at Bluff Park Elementary School until she retired in 1991. An avid genealogist, Mrs. Knight compiled several books of family history. She was a member of the Computer Assisted Genealogy Group and the Birmingham Genealogical Society where she had served as a corresponding secretary and on the Board of Directors. She was also a member and former corresponding secretary of the Alabama Genealogical Society and a coordinator of the Alabama State Archives Loose Papers Project in Shelby County, Alabama. Mrs. Knight was a member of All Saints' Episcopal Church, St. Martha's Guild of All Saints', Kappa Delta Epsilon, Daughters of the American Revolution, United Daughters of the Confederacy, and numerous historical and genealogical organizations throughout the United States. Preceded in death by her husband, Richard P. Knight Jr., and her son, Richard

Chadwell Knight, she is survived by her son, Karl Coldwell Knight of Huntsville, Alabama; her daughter and son-in-law, Katherine and Clay Haley of Vestavia Hills; and three grandchildren: Clayton Chadwell Haley and Katherine Kessler Haley of Vestavia Hills and Kirsten Elena Knight of Huntsville, Alabama.

IN SYMPATHY

Our sympathy is extended to the family of Jerry Wayne Pate. Jerry Wayne Pate was born in Tuscaloosa, Alabama, on February 9, 1947. He graduated from Tuscaloosa High School in 1965, where he met his high school sweetheart Brenda West. They were married in 1967. He earned

his bachelor's degree from The University of Alabama in 1969 and began working in sales. Jerry later moved to Birmingham, eventually founding Ener-Dyne Inc in 1980, where he was owner and president for over 35 years. He and his wife regularly attended several churches in the Birmingham area and were members of First Christian Church. He pursued many hobbies and activities, including golfing, boating, and aviation, earning his private pilot's license in 1986. Jerry was a huge Crimson Tide fan and supporter. He took his family to many regular season and bowl games, including the 1992, 2009, 2011, and 2012 national title games. He always enjoyed tailgating and sharing stories of the Crimson Tide's glory. He was the best son, husband, father, brother, uncle, grandfather, and friend anyone could ever dream of. He was always there to shower love on his children as he listened, guided, and comforted. Despite his busy work and travel schedule, he never missed a piano recital, a soccer game, or a ballet program. As a beloved Papa to his granddaughters Emmy and Ella, he was always available as caregiver, chauffeur, and playmate. One of Papa's favorite jobs was taking the girls to Bruster's Ice Cream. He enjoyed life to the fullest but was also the most generous person we ever knew, giving freely of his time, money, and energy to anyone in need. He trusted Jesus Christ as his personal savior, which spilled over into every aspect of his life. Jerry is preceded in death by his parents, James and Margie Pate; and by his brother, Gary Pate. He is survived by his wife, Brenda West Pate; son, Randolph Pate of Arlington, Virginia; daughter, Ashley Pate Garrett (Adam) of Hoover; sisters, Rita Pate Simmons and Sherry Pate Hallman; and granddaughters, Emelia Garrett and Eleanor Garrett.

OAK MOUNTAIN STUDENTS RECOGNIZED FOR STRONG CHARACTER TRAITS

Five students in the Oak Mountain community were recognized this morning for their strength of character.

One student from each school in the Oak Mountain High School feeder system was given a Character in Action award at the Jan. 27 Shelby County Drug Free Coalition meeting.

Students who receive Character in Action awards embody leadership characteristics such as responsibility, respect and self-discipline, said Emily Litrell, a social worker for Shelby County Schools. The awards program is a joint effort of the school system and Shelby County Juvenile Court. To receive a Character in Action award, students must be nominated. "What we're trying to do in Shelby County Schools is create well-rounded students on their path to adulthood," Litrell said.

Oak Mountain High School student Gregory Morris received a Character in Action award for the second time today. He was nominated at Oak Mountain Middle School last year, and faculty at Oak Mountain High School who nominated him did not know, Litrell said. "Gregory's ability to relate to others and make friendships is extraordinary," Litrell said, reading quotes from nominating teachers. "He treats everyone with respect and seems to truly respect individual differences."

Teachers who nominated Jacob Oliver, an Oak Mountain Middle School student, noted his dedication to his schoolwork and others. "He never forgets to make up work. He never asks for extra time, and he never tries to get out of doing his work," Litrell read from the nomination comments. "He runs errands for his teachers and constantly helps his classmates when needed."

Oak Mountain Intermediate School student Julian Nicholson was nominated for his responsibility, dedication to academics and willingness to befriend others. "A great example of Julian and his friendliness is his willingness to befriend students who do not necessarily make the best choices behaviorally," Litrell said. "Julian tried to be a role model for these students who don't necessarily have any friends."

Julia Beuche, an Inverness Elementary School student, was recognized for the multiple leadership roles she holds at school. Bush is team captain in gym class, a library master who assists students in finding and checking out books and a peer helper in music class. "Julia's daily attitude is doing the right thing, even if no one is looking," Litrell said. "She has a genuine, truthful and sincere approach to her friends and school."

Alyssa LaCally is an active participant in Oak Mountain Elementary School's Leader in Me program,

helped display the "seven habits" at their school. The seven habits are qualities students are encouraged to exhibit, such as prioritizing their work, beginning tasks with the end in mind and being proactive. "Alyssa is kind to everyone," Litrell said. "If she notices that someone is having a bad day, she makes it her personal mission to make their day better."

To conclude the presentation, Shelby County District and Juvenile Judge Jim Kramer thanked the parents and administrators present at the ceremony. All of the individuals in these students' lives have made a positive impact to create strong leaders, Kramer said.

Photo: Oak Mountain School System Character in Action award winners and their administrators.

PUBLIC SERVICE ANNOUNCEMENT

SPECIAL EQUESTRIANS

If you like horses, the outdoors, and helping people, we have the perfect opportunity for you. We welcome you to join our volunteer team of over 280 volunteers at Special Equestrians. Special Equestrians is a therapeutic horseback riding program for people with physical, mental, or emotional disabilities. All levels of experience are available (no horse experience necessary). Volunteers must be 14 years or older. Call or email today to attend one of our Volunteer Training sessions:

Monday, February 15th, 1:00 – 3:00 pm
Saturday, February 20th, 12:00 – 2:00 pm
Thursday, February 25th, 5:30 – 7:30 pm

Training sessions will take place at our facility on the campus of Indian Springs School. To reserve a spot at the training session or to find out more information, please email: volunteer@specialequest.org, call: 205-987-9462 or visit our website www.specialequest.org
